REPORT OF AUDIT

SAWYER & SAWYER

Accountants and Auditors

Millbridge, Maine

February 21, 1959

Board of Selectmen
Harrington, Maine

Gentlemen:

In accordance with Chapter 91, Section 142, Revised Statutes of 1954, and at your request, we have audited the records of the Town of Harrington for the period February 4, 1958 to February 6, 1959.

The examination was made in accordance with generally accepted auditing standards that pertain to municipal accounting. Auditing analysis was on a basis consistent with that of the preceding year and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination the financial transactions of the Town appear to have been appropriately handled.

Exhibits and Schedules incorporated in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data included in the report may prove of interest to you, all of which is respectfully submitted.

Very truly yours,

SAWYER & SAWYER

By A. F. Sawyer

COMMENTS

Town of Harrington

February 4, 1958 to February 6, 1959

An audit of the financial records of the Town of Harrington has been completed for the fiscal year ended Febraury 6, 1959.

The audit included an examination of the records maintained by the Selectmen, Assessors, Treasurer, Tax Collector and Town Clerk. The examination consisted of a review of cash transactions, as well as an analysis of available funds and expenditures and the results are incorporated in the following text, exhibits and schedules pertaining to the fiscal affairs of the Town.

The fiscal year's operations showed that Expenditures exceeded Available Funds by $2,276.64 per the following summary:

Departmental Operations:	
Overdrafts	$2,463.08
Unexpended	186.44
	$2,276.64

Assets

The cash balance of $3,009.42 was reconciled with the statement furnished by the Union Trust Co., Ellsworth, Maine.

Other assets including accounts receivable, taxes, tax liens and tax acquired property were reviewed. Unpaid accounts were reconciled with the balance shown on the records of the Selectmen.

Liabilities

General fund liabilities amounted to $3,429.43 which represented advances from the L. F. Nash and Hope

G. Nash Trust Funds. During the year outstanding notes of $2,000.00 were paid—$1,000.00 by appropriation and $1,000.00 from current funds.

Deferred Revenue

The deferred revenue totaling $871.08 represents 1959 excise tax collections which are carried forward for future allocation by the townspeople.

Reserves and Surplus

The examination of the appropriation accounts shows a total amount of $2,676.78 (Exhibit D) representing account balances which are carried forward to the ensuing year.

The deficit at the close of the year amounted to $2,032.58, an increase of $1,039.44 for the year. This was occasioned principally by the excess of expenditures over available funds less the town debt appropriation.

Trust Funds

An examination of the various funds held in trust by the town revealed that the total amount of trust fund principals was $6,250.00 and unexpended income amounted to $594.43. The principals and income of these funds were invested as follows:

Time Deposits	$ 915.00
Union Trust Co., Custodian	2,500.00
Due from General Fund	3,429.43
	$6,844.43

General

An examination of the town clerk's records revealed that the townspeople voted to transfer $1,000.00 from Excise Taxes to Town Roads and the balance of Excise Tax receipts to Snow Removal.

Scope of Audit

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Receipts, vouchers and cancelled checks were examined for a selected period and major increases or decreases in revenue or expenditures over previous years were explored. Insurance and bond coverages were listed.

Excise tax collections were verified by examination of the copies of the receipts retained by the collector. Various laws pertaining to the fiscal operations of the municipality were reviewed to determine that related financial transactions were properly administered.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting information fairly present the financial position of the town at February 6, 1959 and the result of its operations for the year then ended.

TOWN OF HARRINGTON

D. M. WHITE, Treas.

The Harrington Volunteer Fire Department believes that an expression of appreciation is in order for the several citizens who have rendered personal and|or financial assistance to the department during the past year.

To the end that the interests of all may be served by a vigilant supervision of essential equipment, the department has adopted a policy of requiring that a trained operator's services, at $1.00 per hour, shall be employed whenever the centrifugal pump is loaned for a personal use.

Superintendent's Salary	869.52	
School Committee	150.00	
Clerk's Salary	2,247.40	
General Maintenance	20.00	
		$38,822.94
Balance		$ 2,304.29
Less summer payments for teachers		1,740.00
True balance		$ 564.29

The closing of the Coffin School has effected a balance in the maintenance account that is not reflected in the financial statement. This is due to the fact that the school fiscal year became extended one full payroll period to coincide with the municipal year. Auditors are encouraging, and wisely I believe, the towns to shorten the period of the time lapse between the closing of the books and the annual town meetings. Whereas this year there was a substantial balance in the account, it was timely that necessity brought about the compliance with the request.

SCHOOL BUDGET 1959-60

Anticipated Expenditures

Secondary Instruction	$ 8,700.00
Athletic Coach	200.00
Elementary Instruction	14,800.00
Sick Leave	200.00
School Committee	150.00
Clerk's Salary	434.40
Superintendent's Salary	932.15
Office Rent & Equipment	83.26
Janitors & Cleaning	2,487.00
Conveyance	3,860.00
Band	792.00
Fuel	1,000.00
Textbooks & Supplies	2,000.00
Library, Laboratory & Visual Aids	300.00
Utilities	350.00
Insurance	754.01
Health & Physical Education	25.00
Withheld from teachers for summer payments, 1959	1,740.00
	$38,807.82

Anticipated Credits

State Subsidy	$17,205.00
Secondary Tuition	282.78
Elementary Tuition	300.00
Unexpended Balance 1958-59	2,304.29
	$20,092.07

Necessary Appropriation, Maintenance Account 1959-60 $18,715.75

The recommended appropriation for the school maintenance account for the 1959-60 fiscal year is $1,-715.75 greater than the sum requested for the 1958-59 fiscal year. The reasons for requesting the substantial increase are as follows: (1) The increase in teacher salaries necessitated by the State minimum salary law, (2) The operating of the school for an extended period, as noted elsewhere in this report, decreased what would have otherwise been a favorable balance to have been applied against the 1959-60 maintenance costs.

REPAIR ACCOUNT

Expenditures

Land purchase	$ 200.00	
Labor & Material	72.00	
		$ 272.00
Balance		$ 128.00

REPAIRS & IMPROVEMENTS

Village School:

In the fire-room the wooden wainscot area has been covered with a fire resistant material in accordance with a directive from the State Insurance Commission.

More efficient electric light fixures have been provided for two of the classrooms.

Electric motor and mechanical parts have been purchased for the water pump.

The playground has been surfaced with gravel.

Several miscellaneous minor items of repair have received attention.

Marshville School:

Classroom cleaned and floor painted.
New ceiling provided.
One door installed.
Toilets ventilated.
Miscellaneous.

Purchase of the tract of land from the Arlena Mitchell Estate was delayed to a later date because of the reluctance of the Board of Selectmen to make the purchase. With an early freezing of the grounds, the

bulldozing work for improving the playground facilities at the village school had to be postponed. Work on this project will be resumed in the summer months.

The dangers of the faulty sewerage disposal system have been lessened by extending the length of the tile drain for a distance of approximately 75 feet.

The State Fire Insurance Commission has reported certain conditions as existing at the schools which are believed to be inconsistent with the public safety. Faulty conditions, the elimination of which will require an expenditure of money, have been reported as follows: "Insulate boiler room with fire resistant material, provide door and shutter of fire resistant material for coal bin and heat opening, remove lock from exit door from gym, remove hooks from egress doors."

The roof of the village school building is in need of immediate attention as it has leaked at several points during the fall and winter months.

Estimates of the cost of covering the roof with a weather resistant material have been received from the C. O. Beck Co. of Waterville, and the Bangor Roofing Co. of Bangor. Such estimates as have been received to date indicates that the cost of applying a new covering for the roof would be approximately $1650.

An article has been inserted in the warrant that will permit the citizens to decide on a course of action in the matter of making temporary repairs or renewing the covering of the roof.

An exterior paint job on the Village School Building will be necessary in the near future. Attention is called to the fact that the building received a one-coat exterior paint job in the summer of 1954. Five years have elapsed; therefore, it will soon be necessary to plan for the application of another coat of paint. The cost of the paint job done in 1954 was slightly more than $700.

APPROVAL & ACCREDITATION

A member of the State Department of Education has visited the high school on invitation of the Superintendent of Schools for the purpose of determining the nature and extent of alterations that would be necessary for insuring Harrington High School an approval status in accordance with the regulations to become effective in July, 1960.

The items reported to be in need of attention were the ventilation of the toilets and the providing for the proper and adequate lighting of classrooms and corridors and basement.

As stated in a previous report, a small secondary school, one enrolling less than 300 students, may not anticipate attaining an accreditation status unless the town in which the school is located is willing to expend a very large sum of money for the school's maintenance costs.

Two light engineers from reputable companies have furnished recommendations on type of fixtures and cost of same as would serve a good purpose for classroom and corridor use, and have included an estimate as to cost of material that would be needed other than fixtures and the labor costs for lighting the high school rooms and corridors at the village school. The sum of the estimates of costs of fixtures, material and labor is approximately $650.

An article has been inserted in the warrant that will permit the citizens to choose a course of action relative to when and if adequate lighting facilities shall be provided for the high school building.

In arriving at a decision in the matter of providing adequate lighting as mentioned above, consideration should be given to the fact that a favorable course of action will need to be taken prior to July 1960, in order

that the high school may attain an approval status as outlined in Chapter 41, Section 98, Revised Statutes.

FEDERAL AID — FOOD FOR THOUGT

The National Defense Education Act, Title III, provides funds on a matching basis for the purchase of equipment and material, in some instances, minor alterations of space for the use of this equipment in science, mathematics, and modern foreign language from the sub-primary through grade twelve in the public schools of the State.

The elementary schools are eligible if the secondary school in the community is eligible. A secondary school is eligible if it meets the following criteria:

1. Employs qualified personnel to use equipment, materials and|or space; and
2. Offers in the secondary school a sequence of three years of study in the subject area in which the equipment, materials, and|or space will be used, or will offer a three-year sequence through the proposed project; and
3. Has in the secondary school an enrollment of 300 students or is included in an administrative school district; and
4. Purchases equipment and materials meeting the standards filed annually in the Commissioner's office.

The above is an excerpt from an administrative letter received from Philip A. Annas, Executive Director, Division of Instruction, Department of Education.

This action on the national level, along with the Sinclair Act on the State level must be interpreted, it seems to me, as indicating that the trend is for the governmental agencies to give bonuses to the larger school administrative units.

NEW ELEMENTARY SCHOOL PLAN

It is the opinion of the writer that a valuable change has been effected in the elementary education program for the pupils of Harrington. Reference is here made to the elimination of the rural schools as such. The system now in operation, that of using a rural schoolhouse as a classroom for all of the pupils of the town who are enrolled in certain grades, permits for an equal sharing of the educational offerings within the town, whether students live in the village or the districts. It is a share and share alike program—this, I believe, is as it should be.

However, it was not only on the basis of equal sharing of the physical facilities, nor that the rural pupils would be the only ones to be benefited, that the program was originally initiated. It was believed that the students formerly attending the village school would likewise receive some educational benefits because it would eliminate the assigning of three grades to one teacher as had formerly been the practice at the village school.

The results of Standardized Tests that have been administered by the Superintendent to members of the 6th, 7th and 8th grades (and also corrected and scored by him) show rather convincingly that the committee was correct in its decision to use a rural school house as a classroom for pupils of the 6th and 7th grades.

The economic advantages of the new plan should also be mentioned. The merits of an educational nature as cited in the above paragraphs have been accompanied with a saving of dollars and cents to the tax payer—thus the plan might truly be termed a modern phenomenon.

Now with this new plan in operation and with a continuance of the services of competent teachers, the academic attainment and social development of the student body as a whole is progressing satisfactorily.

Because the program is believed to be working successfully and that no real hardship of a detrimental nature is being forced upon any of the pupils, the committee is recommending that the existing program be continued for another school year. And it is, therefore, recommending that the town vote to close the Coffin School for an indefinite period of years.

At a public meeting called for the purpose of considering the matter of reopening the West Harrington School for use as a classroom, valid reasons were given as to why the school would not serve well for the housing of pupils. Subsequently, at a special town meeting the citizens voted not to permit the use of the school as a classroom, therefore, the Superintending School Committee has voted to turn over to the Board of Selectmen the care and custody (including insurance and repairs) of the West Harrington School, and furthermore it is recommending that the selectmen be authorized to sell or otherwise dispose of said schoolhouse.

PERSONNEL

This school year the number of elementary teachers being employed is 1 less than for former years. Even so the retirement of Mrs. Elizabeth Mitchell and resignation of Mrs. Ida Strout necessitated the hiring of one teacher. Mrs. Goldie Sprague of Columbia Falls was employed as teacher of the grades 6 & 7 at the Marshville School.

With the exception of Mrs. Sprague, the elementary teacher staff is the same as for last year. Mrs. Pauline Hartford teaches grade eight only, and the other teachers are teaching similar grades as for previous years.

Repetition being permissible when emphasis is desired, I am once again calling attention to the fact that the citizens of the Town of Harrington should be appreciative of the competent and energetic teachers who are manifesting a sincere interest in the academic and social attainmnt of each and every pupil under their care.

Regarding the services of secondary school personnel, we have been both fortunate and unfortunate. Unfortunate, I believe, in having lost by resignation, the valuable services of Mr. Lawrence Drisko and Mr. Delmar King as teacher-principals of Harrington High School. Fortunate in having retained the competent services of Mrs. Irene Allen as language teacher; and in having obtained the fine service of Mr. John Biscoe to fill the vacancy caused by the resignations in the teacher-principal position.

The value of the services of Mr. Raymond Curtis as janitor of the village school and of Mr. Charles Wakefield as band director can readily be obtained by seeking the opinions of the teachers and students at the school.

CONVEYANCE

The plan initiated this school year to use the Marshville Schoolhouse as a classroom has not necessitated the use of any additional conveyance vehicles. The same number of vehicles as employed last year are rendering the necessary regular and shuttle services without undue inconveniences with regards to the time schedule. I believe that mention should be made of the fact that the secondary school students in the districts are now being conveyed to the high school.

Each of the operators, Mr. Milton Perry and Mr. Lawrence Stanwood, Jr., is to be commended for the excellent service rendered, and for having purchased a later model bus to serve the comfort and safety of the pupils.

I believe that a special commendation should go to Mr. Milton Perry for the long and valuable service which he has rendered. He has served as school bus operator for the past 13 consecutive years. Prior to 1946 he served at interrupted intervals for a period of 8 years—thus a total of 21 years of service. He has owned and operated 7 conveyance vehicles. He has consistently endeavored to operate the best possible type of vehicle consistent with the remunerations.

We are indebted to Wilbur Worcester for having assisted in the solution to our problem of transporting the students of band from the Marshville School to the Village School. Each Wednesday for a small fee, Mr. Worcester has accepted the responsibility of providing this much needed service.

SERVICES

The same services that received recognition and commendation in the last report are, in general, being enjoyed and appreciated for the current school year. With the same services being rendered with a similar

degree of efficiency, it would be repetitious to make comment; howver, I do believe that it is appropriate to mention them by name. They are as follows: Bookmobile Unit, National Foundation for Infantile Paralysis, County and Local Health Services, Rotary Club-Scholarship Awards (this year one award went to Arthur Polley of Addison, who is attending the Maine Vocational School at South Portland. Another $100 scholarship has been awarded to Miss Rita Bagley pending her admittance to a nursing school); Portland Sunday Telegram Spelling Contest (the county winner for the 6th consecutive year was a student from a school in this Union. This year's winner was Gregory Scott of Harrington); Maine State Police Safety Patrol Service; Henry Nash Memorial Fund Award was awarded to Beth Hartford and Peter Plummer attending Washington State Teachers' College and University of Maine respectively; Joseph Bryant Scholarship was awarded to Peter Plummer; Harrington High School Alumni Award was presented to Peter Plummer; Marshville Community Club free school lunch service (Gladys Woodworth continuing as cook par excellent ; Mr. and Mrs. Joseph Parson's financial contribution to the Marshville Community Club.

As a public service, the **Maine Security Employment Commission** has administered to the seniors of the secondary schools within this Union the General Aptitude Test Battery. Following the correction of the tests, personnel from the Commission counseled the seniors of the several schools and advised each relative to indicated aptitudes revealed by the test results.

This is a valuable guidance type of service which is much appreciated; especially is this true when we remind ourselves of the fact that the service would otherwise not be forthcoming because of certain factors, such as, the expense of the necessary equipment,

the time element involved and the trained personnel to carry out the details of the program.

DRIVER EDUCATION

I have been advised by individuals close to the scene that as of the date of the preparing of this report, it appears very probable that a law will be passed by the current legislature to the effect that persons who are not 18 years of age will not be eligible for an operator's license unless he or she shall have successfully completed a course in driver education.

To insure our youth an opportunity to become eligible to apply for an operator's license, it might be the desire of the citizens of the towns within this school union in which secondary schools are located, to provide for the setting up of a driver training course (at a suitable location) during the summer months.

A study has indicated that the total cost to the towns of operating a driver training program for a six-weeks period, June 15 through July 24, would be approximately $700.

That the program may not be endangered in event one of the four towns should vote not to sponsor the program, it would seem to be wise for each town to appropriate $250 as its share of the total costs. Therefore, an article has been inserted in the warrant to see if the town will raise and appropriate that sum.

LARGER SCHOOL ADMINISTRATIVE DISTRICT

Groups of citizens from several of the towns comprising this school union are serving on committees with citizens of towns of an adjoining school union for the purpose of studying the advantages and disadvantages that might be anticipated by the establishing of a larger administrative school unit in this area.

The committees are gathering data on such items as follows: school population trends, building needs and locations (elementary and secondary), curriculum policies, building and maintenance costs, and the transportation problems involved.

Each of the committees will prepare a report on its findings in the assigned instance. The several individual committee reports will be compiled into one pamphlet. The pamphlets will be distributed for examination and study by the citizenry.

After the citizens have had an opportunity to evaluate the study, public meetings will be called in the several towns for the purpose of discussing the report. It is anticipated and hoped that the public attending these meetings will demand clear and exacting answers to their questions. However, let us remember that the committees do not have anything to sell anybody; they are rather your servants who have given of their time and talent that you might have these facts.

An open, intelligent, frank and friendly discussion void of any belligerence or antagonism can give the citizens of this area an intellectual yard-stick with which to measure the degree of success that might be anticipated when and if it should choose to venture upon a policy of enlarging the educational horizons for the youth of this section of the State of Maine.

In closing this report, I once again wish to express my appreciation to the Superintending School Committee, teachers, parents and students for the continued cooperation and many courtesies extended me during my tenure in office as your superintendent of schools.

Respectfully submitted,

CHAS. F. LAWRENCE

Superintendent of Schools

WARRANT FOR TOWN MEETING

WASHINGTON, ss. STATE OF MAINE

To Raymond F. Curtis, a constable of the Town of Harrington in the County of Washington and State of Maine.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the Inhabitants of the Town of Harrington, in said County, qualified by law to vote in Town affairs, to assemble at the High School Auditorium, in the Town of Harrington, Monday, the 9th day of March, A. D. 1959, at ten o'clock in the forenoon, there to act upon the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Town Clerk for the ensuing year.

Art. 3. To act on Town Reports.

Art. 4. To see what action, if any, the citizens of the Town of Harrington will take in regards to hiring a Town Manager.

Art. 5. To fix the salaries of the various Town Officers for the ensuing year.

Art. 6. To choose Selectmen for the ensuing year.

Art. 7. To choose one Assessor for a term of three years.

Art. 8. To choose one or more Overseers of Poor.

Art. 9. To choose a Treasurer for the ensuing year.

Art. 10. To choose one member of the Superintending School Committee for a term of three years.

Art. 11. To choose a Tax Collector for the ensuing year.

Art. 12. To choose a Road Commissioner or Commissioners for the ensuing year.

Art. 13. To choose all other necessary Town Officers for the ensuing year.

Art. 14. To see what sums of money the Town will vote to raise and appropriate for elementary and secondary school maintenance purposes as enumerated under Sec. 240, Chap. 41, R. S. 1954, as amended.

Art. 15. To see what sum of money the Town will vote to raise and appropriate for School House Repairs.

Art. 16. To see what action, if any, the Town will take regarding the disposition of part or whole of the $5000 with accrued interest thereon which had been appropriated previously as a Capital Reserve fund to be deposited for future use for new school construction, additions or renovations.

Art. 17. To see if the Town will vote to close the Coffin District Rural School for an indefinite period.

Art. 18. To see if the Town will vote to authorize the Selectmen on behalf of the Town to sell or otherwise dispose of the West Harrington Rural Schoolhouse.

Art. 19. To see what sum of money, if any, the Town will vote to raise and appropriate for the

repairing or renewing of the covering of the roof of the Village School.

Art. 20. To see what sum of money, if any, the Town will vote to raise and appropriate for the purchase and installation of such number and type of electric light fixtures in the high school room and corridors as shall meet the requirements for obtaining for said school an approval status.

Art. 21. To see what sum of money, if any, the Town will vote to raise and appropriate for the purpose of operating a driver-training course during the summer months for the students of Harrington High School.

Art. 22. To see what action, if any, the citizens of the Town of Harrington, (with such knowledge as is now available) will take in the matter of expressing an opinion regarding the joining with the municipalities of Addison, Beals, Columbia, Columbia Falls, Cherryfield and Milbridge to form a School Administrative District.

Art. 23. To see if the Town will vote to raise and appropriate a sum of money not to exceed $3000 to defray the expense of having an area of the Village School playgrounds surfaced with a hot-top coating.

Art. 24. To see what sum of money the Town will vote to raise and appropriate for repair of Town Roads and Bridges.

Art. 25. To see what sum of money the Town will vote to raise and appropriate for cutting bushes on Town Roads.

Art. 26. To see what sum of money the Town will vote to raise and appropriate for Snow Removal on State Aid and Town Roads for the ensuing year.

Art. 27. To see what sum of money the Town will vote to raise and appropriate for State Aid Road Construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 44, 49 or 50, Chap. 23, R. S. 1954, as amended.

Art. 28. To see what sum of money the Town will vote to raise and appropriate for Charities for the ensuing year.

Art. 29. To see what sum of money the Town will vote to raise and appropriate for Town Dump.

Art. 30. To see what sum of money the Town will vote to raise and appropriate for Town Officers Salaries.

Art. 31. To see if the Town will vote to print the names of paupers in the 1959 Town Reports.

Art. 32. To see what sum of money the Town will vote to raise and appropriate for Flags for Veterans' graves and others who lost their lives in the service of their Country.

Art. 33. To see what sum of money the Town will vote to raise and appropriate for the purchase of bonds for the Tax Collector and Treasurer.

Art. 34. To see what sum of money the Town will vote to raise and appropriate for Interest.

Art. 35. To see what sum of money, if any, the Town will vote to raise and appropriate for the Harrington Volunteer Fire Department.

Art. 36. To see wht sum of money the Town will vote to raise and appropriate for Administration for the ensuing year.

Art. 37 To see if the Town will vote to raise and appropriate the sum of $65.00 for Public Health Nursing in Harrington, said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local services.

Art. 38. To see what sum of money the Town will vote to raise and appropriate for Street Lights for the ensuing year.

Art. 39. To see if the Town will vote to raise and appropriate the sum of $60.00 for Maine Municipal Association dues.

Art. 40. To see if the Town will vote to raise and appropriate the sum of $25.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chap. 80, Sec. 95 of the R. S. of Maine.

Art. 41. To see what sum of money the Town will vote to raise and appropriate for the Washington County Chamber of Commerce.

Art. 42. To see if the Town will vote to authorize the Selectmen and Treasurer to issue the Town's negotiable notes or bonds for the purpose of

renewing, refunding or paying certain notes for the Town due now or to become due during the Municipal year 1959.

Art. 43. To see if the Town will vote to authorize the Selectmen and Treasurer to make Temporary Loans, not to exceed the sum of $8000.00 in anticipation of and to be paid out of current taxes for the Municipal year 1959, and to issue the Town's negotiable notes thereon.

Art. 44. To see if the Town will vote to allow or disallow a discount on Taxes and fix the time and rate.

Art. 45. To see if the Town will vote to authorize the Selectmen on behalf of the Town, to sell and dispose of any real estate or tax liens acquired by the Town for non-payment of taxes thereon or otherwise, on such terms as they deem advisable and to execute a quit-claim deed for the property.

Art. 46. To see if the Town will vote to have a certain proportion of Town Employees' wages applied to payment of his or her taxes until all taxes are paid in full.

Art. 47. To see what sum of money the Town will vote to raise and appropriate for Civilian Defense and Public Safety.

Art. 48. To see if the Town will vote to appropriate from the surplus the sum of $3400.00, or any other sum, for refunding in part or whole, of the loan made to the Town from the Hope G. Nash and|or Lewis F. Nash Trust Funds; and|or to see if the Town will

take action as to the disposition of any part of the surplus.

Art. 49. To see what sum of money, if any, the Town will vote to raise and appropriate for the repair of sidewalks.

Art. 50. To see what sum of money, if any, the Town will vote to raise and appropriate for the repair of the old number one crossroad passing in front of Clarence Nash's.

Art. 51. To see what action the citizens of the Town of Harrington will take in regard to the money due Bert Sinclair for rent on the Gerald Morse house.

The Selectmen give notice that they will be in session at the High School Auditorium at 9:30 o'clock on the day of said meeting in the forenoon for the purpose of revising and correcting the list of voters.

Given under our hands this 25th day of February A. D. 1959.

REPORT *of* AUDIT

SAWYER & SAWYER
Accountants and Auditors
Camden-Milbridge, Maine

February 20, 1960

Board of Selectmen
Harrington, Maine

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, and at your request, we have audited the records of the Town of Harrington for the period February 6, 1959 to February 12, 1960.

The examination was made in accordance with generally accepted auditing standards that pertain to municipal accounting. Auditing analysis was on a basis consistent with that of the preceding year and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination the financial transactions of the Town appear to have been appropriately handled.

Exhibits and Schedules incorporated in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data included in the report may prove of interest to you, all of which is respectfully submitted.

Yours very truly,

SAWYER & SAWYER
By **G. A. Williams**

COMMENTS

Town of Harrington

February 6, 1959 to February 12, 1960

An audit of the financial records of the Town of Harrington has been completed for the fiscal year ended February 12, 1960.

The audit included an examination of the records maintained by the Selectmen, Assessors, Treasurer, Tax Collector and Town Clerk. The examination consisted of a review of cash transactions, as well as an analysis of available funds and expenditures and the results are incorporated in the following text, exhibits and schedules pertaining to the fiscal affairs of the Town.

The fiscal year's operations showed that Expenditures exceeded Available Funds by $2,062.09 per the following summary:

Overdrafts	$2,938.61
Unexpended	876.52
	$2,062.09

Assets

The cash balance of $2,510.20 was reconciled with the statement furnished by the Union Trust Company, Ellsworth, Maine.

Other assets including accounts receivable, tax liens and tax acquired property were reviewed. Unpaid accounts were reconciled with the balance shown on the records of the Selectmen.

Liabilities

General Fund liabilities amounted to $2,429.43 which represented advances from the L. F. Nash and Hope G. Nash Trust Funds.

During the year outstanding notes of $1,000.00 were paid by appropriation.

Deferred Revenue

The deferred revenue totaling $1,179.19 represents 1959 excise tax collections which are carried forward for future allocation by the townspeople.

Reserves and Surplus

The examination of the appropriation accounts shows a total amount of $3,916.42 (Exhibit D) representing account balances which are carried forward to the ensuing year.

The deficit at the close of the year amounted to $3,015.38, an increase of $982.80 for this year. This was occasioned principally by the excess of expenditures over available funds less the town debt appropriation.

Trust Funds

An examination of the various funds held in trust by the town revealed that the total amount of trust fund principals was $6,250.00 and unexpended income amounted to $624.99. The principals and income of these funds were invested as follows:

Time Deposits	$1,945.56
Union Trust Co., Custodian	2,500.00
Due from General Fund	2,429.99
	$6,874.99

General

An examination of the town clerk's records revealed that the townspeople voted to transfer $1,000.00 from Excise Taxes to Town Roads and the balance of Excise Tax receipts to Snow Removal.

Scope of Audit

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Receipts and vouchers and cancelled checks were examined for a selected period and major increases or decreases in revenue or expenditures over previous years were explored. Insurance and bond coverages were listed.

Excise tax collections were verified by examination of the copies of the receipts retained by the collector. Various laws pertaining to the fiscal operations of the municipality were reviewed to determine that related financial transactions were properly administered.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting information fairly present the financial position of the town at February 12, 1960 and the result of its operations for the year then ended.

Overdraft	$ 47.53

Note: The overdraft of $47.53 has been charged to the general repair account.

REPAIRS AND IMPROVEMENTS

Two major projects classified as repair and improvements have been accomplished during the past year. They are as follows: (a) Carl O. Beck & Sons, Waterville, Maine, installed a 20-year smooth surface Fiberglass roof-covering over a one-half inch rigid insulation and with the necessary flashing and edge strip (also the painting of the ventilator was included in the contract), (b) fluorescent lighting type fixtures have been installed in the main-room of the high school. This is now the best lighted classroom to be found in the area. It provides the pupils with a cheerful, pleasant, well-lighted surrounding even on the cloudy days.

Minor repairs and improvements made at the schools are as follows:

Village: Thorough cleaning of classrooms, corridors, auditorium, toilets, etc., installing of a fire-door in the furnace room, safety type locks placed on doors, interior painting, providing drainage facilities for playgrounds.

Marshville: Thorough cleaning of all rooms and painting of the class room and hallway.

PHYSICAL IMPROVEMENT PENDING SPECIAL ACTION

A special article appears in the warrant regarding the raising and|or appropriating of a sum of money not to exceed $1,000 to be used for painting the exterior of the village school building. It is believed that a postponement of action in this matter might well be labelled as false economy because a delay would result in a further deterioration of the building, the correction of which would be accompanied by much larger expenditures for both material and labor.

Another special article in the warrant concerns the

improving of the illumination of the English room and the laboratory room of the high school and the providing for the proper ventilation of the toilets. The improving of the illumination of the class-rooms and the ventilation of the toilets were recommendations of the Department of Education following a visit at the school by Dr. Howard Bowen, Acting Director of School Plant Development, and Mr. Chester Willette, Secondary School Supervisor.

The State Fire Insurance Commission has reported certain conditions as existing at the schools which are believed to be inconsistent with the public safety. They are as follows:

Village School: Insulate ceiling of coal storage room with fire resistant material.

Install fire door at foot of basement stairway. Door to be self-closing type (this in lieu of enclosing entire stairway, there being two other means of egress from basement classroom.)

Replace battery in auxiliary light in gym.

Insulate ceiling of classroom, laboratory in basement with one hour fire resistant material.

Two 20 lb. L. P. gas cylinders to be removed. (Located under fire escape—service and tubing not in compliance with NFPA Pamphlet No. 58.) Gas tubing and accessories to be checked for serviceability.

Soda and acid fire extinguisher of a type approved by the Underwriters Laboratories to be provided for gym.

Marshville School: Soda and acid fire extinguisher of a type approved by the Underwriters Laboratories to be provided.

CONTRACTUAL DATA

Contracts issued by the Harrington Superintending School Committee for the current year have the following rates per annum:

Secondary School:	
Principal	$4,500.00
Assistant	4,200.00
Coach	300.00
Janitor	1,840.00
Elementary School:	
Grade 8	$2,900.00
Grades 6 & 7	3,200.00
Grades 4 & 5	2,900.00
Grades 2 & 3	2,900.00
Grades S.P. & 1	2,900.00
Janitor	$ 370.00
Conveyance:	
No. I	$1,980.00
No. II	1,728.00

APPROVAL AND ACCREDITATION

The writer believes that the law regarding the approval and accreditation of secondary schools which became effective July 1, 1960 is of sufficient importance to permit for the printing of same in its entirety so that the citizens who do not have ready access to the statutes might more clearly understand the implications of the law.

Sec. 98. Approval and Accreditation of Secondary Schools:

"The secondary schools of this State shall be evaluated for basic approval and may be evaluated for accreditation. No school shall be given basic approval for attendance, tuition or subsidy purpose within the provisions of this chapter unless it meets the following requirements:

I. It maintains a course of study approved by the Commissioner of Education.

II. It has a school day of sufficient length to allow 200 minutes per week for each period in the basic schedule.

III. It has a minimum school year of 180 legal days.

IV. It employs one or more certified or licensed teachers for each two grades of its organization.

V. It has a pupil-teacher ratio of not more than 30 to 1.

VI. It has safe and hygienic facilities, adequate equipment and supplies, all of which comply with the regulations established by the State Department of Health and State Department of Education.

VII. It is organized to include not less than 2 consecutive grades from 8 to 12, inclusive.

VIII. The requirements for graduation include 16 Carnegie units earned in grades 9 through 12, inclusive, 4 of which shall be in English and one in American History.

IX. It has adequate, safely protected records.

Any approved school may apply to the Commissioner of Education for recognition as an accredited school. The Commissioner, with the approval of the State Board of Education, shall establish requirements for accreditation which shall include nationally recognized standards, including quality of instruction, school facilities and curriculum content. The Commissioner shall appoint an advisory committee consisting of professional and lay persons to assist in the development of these standards. No school shall be accredited until it has been evaluated by a committee qualified to

appraise its functions and the success attending its program.

NEW LEGISLATION

Legislation relative to education effected at the last regular legislative session that might be of special personal interest to the citizens are as follows:

1. After September 1, 1960, no operator's license shall be issued to any person under 17 years of age unless he has successfully completed a course in driver education.—An exception in granting a driver's license is allowed for any person between 15 and 17 years of age who satisfies the Secretary of State that he has no other means of transportation to and from school. In such cases the Secretary of State may issue a driver's permit.
2. All meeting of any political subdivision of the state shall be open to the public and minutes shall be open for inspection.

SCHOOL ADMINISTRATIVE DISTRICT

The status of the study group that has prepared data on the formation of School Adminsitrative District comprising school unions numbers 99 and 101 appears to be dormant pending clarification of controversial issues that have received state-wide recognition. The measure of success that will accompany this action of the special session of the legislature in clarifying the controversy is not fully known.

During the pending interim, considerable sums of money are being spent on what has been termed as obsolete secondary school structures in order to insure an effective approval status date lined July 1, 1960. These expenditures accompanied with the disorganization of the study group have done much to impede the progress of the organizing of a School Administrative District in this area.

STUDENT ENROLLMENT

The following table shows the enrollment in the different grades on February 1, 1960:

	S.P.	1	2	3	4	5	6	7	8	Tl.
Jessie Lawrence	11	15								26
Flora Wood			15	14						29
Pauline Hayford					11	13				24
Goldie Sprague							12	22		34

	11	15	15	14	11	13	12	22	14	127

High School: Fr.—17; So.—9; Jr.—10; Sr.—7 43

Total 170

PERSONNEL

At both the elementary and high school levels the same teachers are now serving in the same capacities that they served last year; and I wish to add, each is continuing to render a service which is highly commendable.

It was with reluctance that the resignation of Mr. Raymond Curtis, as janitor of the village school, was accepted. Comments in previous town reports have pronounced Mr. Curtis' services as being almost unexpendable to the school program.

I believe we have been fortunate in obtaining as a replacement for the custodianship a man with the qualifications possessed by Mr. Herbert Scott. He has accepted his responsibilities and carried out his duties in a commendable manner.

Mr. Elijah Hammond has replaced Mr. Lawrence Stanwood as school bus contractor. He is using the same vehicle and rendering the same valuable service as was formerly performed by his predecessor.

In the capacity of part-time janitor, Mrs. Howard Robbins is doing a praise-worthy job at the Marshville School.

BAND UNIFORMS

New band uniforms of the school colors (kelley-green and white) were purchased by the school in the early fall. The purchase price of the uniforms (24) was $1,476.00. Of this sum, the high school paid $505.00 as an initial payment. The balance of $971.00 was obtained through the untiring efforts of Mrs. Evelyn Kennedy by way of contributions, band concert collections, public auction, and record-hops. I personally believe that no citizen other than Mrs. Kennedy possesses the quality of what I choose to call "stick-to-it-ness" that was so necessary for attaining this goal.

The band under the ever likable, efficient and jovial leader, Mr. Charles Wakefield, may be depended upon to prform crditably whenever its services are requested. A brief concert is being planned for presentation at the annual town meeting, 9:30 to 10:00 A. M.

SERVICES

As for past years, the schools are enjoying and profiting by services being rendered by the following agencies: Bookmobile Unit; National Foundation for Infantile Paralysis; County and Local Health Services; Rotary Club Scholarship Award (this year's winners were Janice Ramsdell, Alice Martin and Jessie Nelson); Portland Sunday Telegram Spelling Contest; Henry Nash Memorial Fund Award (the recipient this year was Janice Ramsdell); Joseph Bryant Scholarship (the recipient this year was Janice Ramsdell); Harrington High School Alumni Award (the recipient this year was Janice Ramsdell); Marshville Community Club free milk service (Gladys Woodworth has permitted the use of her refrigerator as a cooler unit for the milk); and the Maine Security Employment Commis-

sion (General Aptitude Test Battery and counseling service); local pastors.

Special recognition is here given to the very generous contributions of Mr. and Mrs. Ralph Nash ($5000) and Mr. and Mrs. Joseph Parsons ($2500) to the Harrington Library Association. It is, I believe, proper to make mention of the bequests in this report because the library is a very valuable adjunct to the school program.

Also, a "thank you" goes to those who, as librarians, have been rendering gratuitously a valuable community service.

In closing this report, I want to convey to you, the members of the superintending school committee, teachers, bus operators, janitors, parents, town officials and citizens my sincere gratitude for your active interest, fine cooperation, and continued support of the school program.

Respectfully submitted,

CHAS. F. LAWRENCE

Superintendent of Schools

WARRANT FOR TOWN MEETING

WASHINGTON, ss. STATE OF MAINE.

To Raymond F. Curtis, a constable of the Town of Harrington in the County of Washington and State of Maine.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the Inhabitants of the Town of Harrington, in said County, qualified by law to vote in Town affairs, to assemble at the High School Auditorium, in the Town of Harrington, Monday, the 14th day of March A. D., 1960, at ten o'clock in the forenoon, there to act upon the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Town Clerk for the ensuing year.

Art. 3. To act on Town Reports.

Art. 4. To fix the salaries of the Town Officers for the ensuing year. 1000

Art. 5. To choose Selectmen for the ensuing year.

Art. 6. To choose one Assessor for a term of three years.

Art. 7. To choose one or more Overseers of Poor.

Art. 8. To choose a Treasurer for the ensuing year.

Art. 9. To choose one member of the Superintending School Committee for a term of three years.

Art. 10. To choose a Tax Collector for the ensuing year.

Art. 11. To choose a Road Commissioner or Commissioners for the ensuing year.

Art. 12. To choose all other necessary Town Officers for the ensuing year.

Art. 13. To see what sum of money the Town will vote to raise and appropriate for elementary and secondary school maintenance purposes as enumerated under Sec. 237-C, subsection II, Chap. 41, R. S. 1958 as amended.

Art. 14. To see what sum of money the Town will vote to raise and appropriate for School Repairs and Improvement Account in accordance with Section 34, Paragraph 2, Chapter 41, R. S. 1958 as amended.

Art. 15. To see what sum of money, not to exceed $1,000, the Town will vote to raise and appropriate for the purpose of painting the exterior of the Village School Building.

Art. 16. To see what sum of money, if any, the Town will vote to raise and appropriate for the purchase and installation of such number and type of electric light fixtures in the Laboratory room, a stairway and the English room of the High School as shall be necessary for insuring adequate illumination of said areas; and for the purchase and installation of ventilators for the toilets.

Art. 17. To see what action, if any, the Town will vote the choosing of a study group to obtain information regarding the elementary

school housing needs in the town and to report at a future town meeting.

Art. 18. To see what action, if any, the Town will take regarding the disposition of part or whole of the $2550 with accrued interest thereon which was appropriated previously as a Capital Reserve Fund to be deposited for future use for new construction, additions, or renovations.

Art. 19. To see what sum of money the Town will vote to raise and appropriate for Gallison Memorial Library for rent.

Art. 20. To see what sum of money the Town will vote to raise and appropriate for repair of Town Roads and Bridges.

Art. 21. To see what sum of money the Town will vote to raise and appropriate for cutting bushes on Town Roads.

Art. 22. To see what sum of money the Town will vote to raise and appropriate for Snow Removal on State Aid and Town Roads for the ensuing year.

Art. 23. To see what sum of money the Town will vote to raise and appropriate for State Aid Road Construction (in addition to the amounts regularly raised for care of ways, highways and bridges) under the provisions of Sections 44, 49 or 50, Chap. 23, R. S. 1954 as amended.

Art. 24. To see what sum of money the Town will vote to raise and appropriate for Charities for the ensuing year.

Art. 25. To see what sum of money the Town will vote to raise and appropriate for Town Dump.

Art. 26. To see what sum of money the Town will vote to raise and appropriate for Town Officers Salaries.

Art. 27. To see if the Town will vote to print the names of paupers in the 1960 Town Reports.

Art. 28. To see what sum of money the Town will vote to raise and appropriate for Flags for Veterans' graves and others who lost their lives in the service of their Country.

Art. 29. To see what sum of money the Town will vote to raise and appropriate for the purchase of bonds for the Tax Collector, Treasurer, Constable or Constables.

Art. 30. To see what sum of money the Town will vote and appropriate for Interest.

Art. 31. To see what sum of money, if any, the Town will vote to raise and appropriate for the Harrington Volunteer Fire Department.

Art. 32. To see what sum of money the Town will vote to raise and appropriate for Administration for the ensuing year.

Art. 33. To see if the Town will vote to raise and appropriate the sum of $65.00 for Public Health Nursing in Harrington, said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local services.

Art. 34. To see what sum of money the Town will vote to raise and appropriate for Street Lights for the ensuing year.

Art. 35. To see if the Town will vote to raise and appropriate the sum of $60.00 for Maine Municipal Association dues.

Art. 36. To see if the Town will vote to raise and appropriate the sum of $50.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chap. 91, Sec. 108 of the R. S. of Maine 1954.

Art. 37. To see what sum of money the Town will vote to raise and appropriate for the Washington County Chamber of Commerce.

Art. 38. To see if the Town will vote to authorize the Selectmen and Treasurer to issue general obligation securities of the Town for the purpose of funding or refunding certain notes of the Town due now or to become due during the municipal year 1960.

Art. 39. To see if the Town will vote to authorize the Selectmen and Treasurer to make Temporary Loans, not to exceed the sum of $8,000.00 in anticipation of and to be paid out of current taxes for the Municipal year of 1960, and to issue the Town's negotiable notes thereon.

Art. 40. To see if the Town will vote to allow or disallow a discount on Taxes and fix the time and rate.

Art. 41. To see if the Town will vote to authorize the Selectmen on behalf of the Town, to sell and dispose of any real estate or tax liens acquired by the Town for non-payment of taxes thereon or otherwise, on such terms as they deem advisable and to execute a quit-claim deed for the property.

Art. 42. To see if the Town will vote to have a certain proportion of Town Employees' wages applied to payment on his or her taxes until all taxes are paid in full.

Art. 43. To see what sum of money the Town will vote to raise and appropriate for Civilian Defense and Public Safety.

Art. 44. To see if the Town will vote to appropriate from the surplus the sum of $2,400.00, or any other sum, for refunding in part or whole, of the loan made to the Town from the Hope G. Nash and Lewis F. Nash Trust Funds, and to see if the Town will take action as to the disposition of any part of the surplus.

Art. 45. To see what sum of money, if any, the Town will vote to raise and appropriate for the repair of sidewalks.

Art. 46. To see if the Town will vote to have its employees participate in Federal Social Security benefits and authorize its board of Selectmen to enter into an agreement with the State Agency as designated in Chapter 395 of the Public Laws of 1951 for that purpose and fix the effective date thereof.

Art. 47. To see what sum of money the Town, as an employer, will vote to raise and appropriate for the purpose of paying its share of the cost involved in operating a Federal Social Security plan for its employees.

Art. 48. To see if the Town will vote to raise and appropriate the sum of $175.00 to be used by the local health officer to provide for (1) free vaccination with cowpox of all inhabitants within his jurisdiction, and (2) free inoculations with suitable materials as defined by the Health and Welfare against diphtheria, whooping cough, tetanus and poliomyelitis of all children under 16 years of age. (Section 66, Chapter 25, R. S.)

Art. 49. To see if the Town will vote to have all written Ballots, on all articles.

Art. 50. To see if the Town will vote to put the Collection of Taxes up for the lowest bid.

Art. 51. To see if the Town will vote to raise and appropriate a sum of money for the Eastern Memorial Hospital.

Art. 52. To see if the Town will vote to enact (or adopt) the following zoning ordinance: Any person or persons owning the property (500) five hundred feet of the centerline of Route 1 or Route 1A in the town of Harrington shall not allow said property to be used as a public or private dump for garbage, rubbish, or discarded objects such as refrigerators, any other household appliance, vehicles, or the like; or shall it be used for a junk yard for vehicles, or building materials. Special cases where land

filled is desired, or for some other good and sound reason a special written permit may be granted by the selectmen and signed by at least two selectmen, for a period not to exceed one year.

Art. 53 To see if the Town will vote to enact (or adopt) the following zoning ordinance: Any person or persons owning the property within (150) one hundred fifty feet of the centerline of Route 1 in the town of Harrington, from the brook just west of the Clarence Nash house, west to the Harrington river shall not erect a building within (150) one hundred fifty feet of a private dwelling or public building for the purpose of wholesaling or retailing inflammable fluids or fuels such as gasoline, kerosene or fuel oil of any kind.

The Selectmen give notice that they will be in session at the High School Auditorium at 9:30 o'clock on the day of said meeting in the forenoon for the purpose of revising and correcting the list of voters.

Given under our hands this 7th day of March A. D. 1960.

REPORT *of* AUDIT

SAWYER & SAWYER
Accountants and Auditors
Camden - Milbridge, Maine

March 3, 1961

Board of Selectmen
Harrington, Maine

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, and at your request, we have audited the records of the Town of Harrington for the period February 12, 1960 to February 15, 1961.

The examination was made in accordance with generally accepted auditing standards that pertain to municipal accounting. Audit analysis was on a basis consistent with that of the preceding year and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled.

Exhibits and Schedules incorporated in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data included in the report may prove of interest to you, all of which is respectfully submitted.

Yours very truly,

SAWYER & SAWYER

COMMENTS

Town of Harrington

February 12, 1960 to February 15, 1961

An audit of the financial records of the Town of Harrington has been completed for the fiscal year ended February 15, 1961.

The audit included an examination of the records maintained by the Selectmen, Assessors, Treasurer, Tax Collector and Town Clerk. The examination consisted of a review of cash transactions, as well as an analysis of available funds and expenditures and the results are incorporated in the following text, exhibits and schedules pertaining to the fiscal affairs of the Town.

The fiscal year's operations showed that expenditures exceeded available funds by $2,779.80 per the following summary:

Overdrafts	$3,106.32
Unexpended	326.52
	$2,779.80

Assets

The cash balance of $2,275.91 was reconciled with the statement furnished by the Union Trust Company, Ellsworth, Maine.

Other assets including accounts receivable, tax liens and tax acquired property were reviewed. Unpaid accounts were reconciled with the balance shown on the records of the Selectmen.

Liabilities

General fund liabilities amounted to $3,081.46 which represented advances from the L. F. Nash and Hope

G. Nash trust fund of $2,417.43 and accounts payable of $644.03.

Deferred Revenue

The deferred revenue totaling $1,737.63 represents 1961 excise tax collections which are carried forward for future allocation by the townspeople.

Reserves and Surplus

The examination of the appropriation accounts shows a total account of $4,326.57 (Exhibit D) representing account balances which are carried forward to the ensuing year.

The deficit at the close of the year amounted to $4,560.69, an increase of $1,545.31 for the year. This was occasioned principally by the excess of expenditures over available funds less gain on sale of property, excise tax balance and overlay.

Trust Funds

An examination of the various funds held in trust by the town revealed that the total amount of trust fund principals was $6,250.00 and unexpended income amounted to $636.13. The principals and income of these funds were invested as follows:

Time Deposits	$1,951.89
Union Trust Co., Custodian	2,500.00
Due from General Fund	2,417.43
Deposit in Transit	17.61
	$6,886.93

General

An examination of the town clerk's records revealed that the townspeople voted to transfer $1,000.00 from Excise taxes to town roads and an amount sufficient

to balance snow removal, any remaining amount to be transferred to surplus.

Scope of Audit

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Receipts and vouchers and cancelled checks were examined for a selected period and major increases or decreases in revenue or expenditures over previous years were explored. Insurance and bond coverages were listed.

Excise tax collections were verified by examination of the copies of the receipts retained by the collector. Various laws pertaining to the fiscal operations of the municipality were reviewed to determine that related financal transactions were properly administered.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting information fairly present the financial position of the town at February 15, 1961 and the result of its operations for the year then ended.

REPAIRS AND IMPROVEMENTS

Repairs and improvements accomplished during the year are as follows:

Village School—

Fluorescent light fixtures installed in the English room, ceilings in laboratory and coal-room covered with a fire resistant material, laboratory facilities improved, sink and fountain placed in the primary room, elminating of some playground hazards by bulldozing,

cleaning of woodwork and windows, painting and treating floors, and miscellaneous.

Marshville—

Cleaning of walls, woodwork and floors, painting floors, banking for winter and miscellaneous.

PHYSICAL IMPROVEMENTS BEING CONTEMPLATED

A bid submitted by Nathaniel and Drew Fickett to paint the exterior of the village school building at a cost to the town of $1,000 has been accepted. The building will be painted following the close of school in June. Previous commitments by the Fickett brothers would not permit the painting prior to the opening of school in September, and it was felt to be unwise to have the work done while school was in progress. Money for this project has already been appropriated.

The State Fire Insurance Commission is requiring "the enclosure of stairways to gymnasium in ½ hour fire resistive material."

The sides of the base of the furnace in use at the high school are spread so that new grates need to be elongated before they can be used. Grates elongated a year ago have become too short for use now.

A heating engineer recently inspected the furnace and informed the school committee that a tension was being placed on the water sections which might soon be expected to cause irreparable damage.

The furnace is 35 years old the manufacturer has gone out of business. Therefore, the committee has requested cost estimates for the following: (1) installation of an oil burning furnace accompanied with minor alterations, (2) installation of an oil burning furnace and changing the existing one-pipe condensate system, (3) installation of an oil burning furnace with such renovations in the existing system as may be

necessary to obtain an individual thermostatic room control system.

It is hoped that cost estimates will be available so that a comprehensive report can be made at the annual town meeting.

A special article is being placed in the warrant for the purpose of ascertaining the will of the citizens regarding what, if any, action should be taken for improving the existing heating system in the high school building.

The **Study Group** chosen to obtain information regarding the elementary school housing needs has held a meeting, and will report verbally at the forthcoming annual town meeting.

ESTIMATED BUDGET 1961-62

Anticipated Expenditures

Secondary Instruction	$10,400.00

Conveyance:	
No. I	$2,052.00
No. II	1,728.00

Supplemental:	
Band	$ 122.00
Sick pupils	75.00

LEGISLATION

As this report is being prepared, the 100th Legislature is considering proposals in the field of education which, if enacted, may necessitate a re-appraisal of our existing local administrative units. If and when this report is read, it will be too late to exert pressure for or against the measures. However, affirmative action by the Legislature on such proposals as the following: Uniform Tax Principle, Computing Foundation Program on Elementary and Secondary Separately, Increase Bonus to School Administrative Districts from 10% to 15%, Increase Teacher Minimum Salary, and Revision of Table 1 of Section 237-D, will call for a study to determine, during the interim from the enactment to the effective date of the acts, the wisdom of the continuance of a laissez-faire attitude with regards to the operating of the small school administrative unit.

STUDENT ENROLLMENT

The following tables shows the enrollment in the different grades on February 1, 1960.

	S.P.	1	2	3	4	5	6	7	8	Tl.
Jessie Lawrence	13	11								24
Flora Wood			13	12						25
Pauline Hayford					14	12				26
Goldie Sprague							11	10		21
Pauline Hartford									22	22
										118
High School: Fr.—20; So.—13; Jr.—8; Sr.—10										51
								Total		169

Section 237-C, Sub-section III, part D reads as follows: "Employ at least one teacher for each 30 elementary school pupils in average daily membership except in the pre-primary or kindergarten where the ratio shall not exceed one teacher to 60 pupils and at least one teacher for each 25 high school pupils." Therefore, it will be necessary to employ three secondary school teachers for the 1961-62 school year.

PERSONNEL

The valuable service being rendered by the teachers at the elementary and secondary levels is due in no small part to the continuity of service. The average of years of service of all the teachers is 12½ years, the shortest period of service of a teacher is 2½ years, and the longest period of service of a teacher is 23 years.

It is the opinion of the writer that the schools, elementary and secondary, are being administered effectively; and that the mode of instruction is as a whole producing somewhat desirable results.

It is well known that the schools are not operating at the maximum of efficiency and for various reasons; one of which is a lack of understanding and cooperation between the school and the home. If, when a child is encountering a difficulty at the school, the parents and the teachers concerned would sit down and calmly evaluate the case on its merits without prejudice or bias, a most valuable service could be rendered for the child. It must be conceded that often both the teacher and the parent have defendable conflicting view points. However, there is usually a feasable manner in which the problem can be solved so that the child can be kept in school for such period of time and under such circumstances as will permit his being graduated from the school, and this without his having "flunked" his education.

HEALTH SERVICES

For several year your town health committee has rendered a valuable service by planning and conducting health clinics for pre-school children, as well as for administering antibiotics to pupils and, in some cases, to adults.

This year for the first time the committee, with the assistance of the local health nurse, Mrs. Beatrice Norton, R.N., initiated a program to offer physical examinations by a competent physician to pupils of grades one, four, eight and twelve.

Contingent upon written permission from the parents the pupils of the grades mentioned above were privileged to receive, without any cost to the pupils, somewhat complete physical examinations by Dr. Thomas Dolan, M.D., Pediatrician, of Ellsworth.

To the end that this program may be continued on an annual basis the health committee is hopeful that the citizens will make the necessary funds available.

For your information the personnel of the Harrington Heatlh Council is as follows: Arlene Scott, Chairman; Verna Dowling, Secretary-Treasurer; Joan Meserve, Chester Nichols, Charles Lawrence, Members; George Hammond, Health Officer; and Beatrice Norton, R.N., Consultant.

SERVICES

Even at the risk of being repetitious, the writer feels led to express once more a feeling of gratitude to those organizations or agencies which are continuing to give valuable services to the school. Some are as follows: (apology for any omissions) Rotary Club Scholarships (this year's winners were Lillian Grant, Margaret Roberts and Marie Willey); Henry Nash Memorial Fund Award (the recipients this year were: Patricia Grant, Elouise Hammond, Lillian Grant, Marilyn Ken-

nedy, and Pamela Mitchell); Joseph Bryant Scholarship (the recipient this year was Patricia Grant; Harrington High School Alumni Award (the recipient this year was Patricia Grant; Marshville Community Club free milk service (Mr. and Mrs. Joseph Parsons have donated $100 to the club); the Maine Employment Security Commission (General Aptitude Test Battery and counseling service); County and Local Health Services; local pastors (devotional exercises); Harrington Library Association; and Bookmobile Unit.

CONCLUSION

I wish to express my appreciation to the members of the school committee, parents, citizens, school personnel and students for the fine cooperation given me during the past year.

Respectfully submitted,

CHAS. F. LAWRENCE

Supt. of Schools

WARRANT FOR TOWN MEETING

WASHINGTON, ss. STATE OF MAINE

To Raymond F. Curtis, a constable of the Town of Harrington in the County of Washington and State of Maine.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the Inhabitants of the Town of Harrington, in said County, qualified by law to vote in Town Affairs, to assemble at the High School Auditorium, in the Town of Harrington, Monday, the 13th day of March A. D., 1961, at ten o'clock in the forenoon, there to act upon the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Town Clerk for the ensuing year.

Art. 3. To act on Town Reports.

Art. 4. To fix the salaries of the Town Officers for the ensuing year.

Art. 5. To choose Selectmen for the ensuing year.

Art. 6. To choose one Assessor for a term of three years.

Art. 7. To choose one or more Overseers of Poor.

Art. 8. To choose a Treasurer for the ensuing year.

Art. 9. To choose one member of the Superintending School Committee for a term of three years.

Art. 10. To choose a Tax Collector for the ensuing year.

Art. 11. To choose a Road Commissioner or Commissioners for the ensuing year.

Art. 12. To choose all the other necessary Town Officers for the ensuing year.

Art. 13. To see what sum of money the Town will vote to raise and appropriate for elementary and secondary school Maintenance purposes as enumerated under Sec. 237-c, sub-section III, Chap. 41, R. S. 1958 as amended.

Art. 14. To see what sum of money the Town will vote to raise and appropriate for School Repairs and Improvement Account in accordance with Section, 34, Paragraph, 2, Chapter 41, R. S. 1958 as amended.

Art. 15. To see if the Town will vote to authorize and instruct the Board of Selectmen and Town Treasurer to borrow a sum of money, not to exceed $10,000, and fix the terms of payment of same for the purpose of renewing or renovating and improving, the existing heating system at the Village school.

Art. 16. To see what sum of money, if any, the Town will vote to raise and appropriate for the purpose of defraying in whole or in part, the costs to be involved in renewing, renovating and improving, the existing heating system at the village school.

Art. 17. To see if the Town will vote to appoint an elementary school building committee which shall have the authority and responsibility

of obtaining plans accompanied with cost estimates for the construction of a one-story Classroom to be affixed to the village school building, said committee to present a report at a special or regular Town Meeting, and furthermore to see if the Town will vote to raise and appropriate the sum of $300.00 for defraying the expenses of said committee.

~~Art. 18.~~ To see what action, if any, the Town will take regarding the disposition of part or whole of the $2550, with accured interest thereon which was appropriated previously as a Capital Reserve Fund to be deposited for future use for new construction, additions or renovations.

Art. 19. To see what sum of money the Town will vote to raise and appropriate for the Gallison Memorial Library for rent.

Art. 20. To see what sum of money the Town will vote to raise and appropriate for repair of Town Roads and Bridges.

Art. 21. To see what sum of money the Town will vote to raise and appropriate for cutting bushes on Town Roads.

Art. 22. To see what sum of money the Town will vote to raise and appropriate for Snow Removal on State Aid and Town Roads for the ensuing year.

Art. 23. To see what sum of money the Town will vote to raise and appropriate for State Aid Road Construction (in addition to the amounts regularly raised for care of ways,

highways and bridges) under the provisions of Sections, 44, 49 or 50, Chap. 23, R. S. 1954 as amended.

Art. 24. To see if the Town will vote to raise and appropriate the sum of $1,000.00 to tar part of the Oak Point Road.

Art. 25. To see what sum of money the Town will vote to raise and appropriate for Charities for the ensuing year.

Art. 26. To see what action the Town will take regarding purchasing, leasing or renting a piece of land to be used for a Town Dump, and to raise and appropriate a sum of money for that purpose.

Art. 27. To see what sum of money the Town will vote to raise and appropriate for Town Dump Maintenance.

Art. 28. To see what sum of money the Town will vote to raise and appropriate for Town Officers Salaries.

Art. 29. To see what sum of money the Town will vote to raise and appropriate to pay Accounts Payable.

Art. 30. To see if the Town will vote to print names of paupers in the 1961 Town Reports.

Art. 31. To see what sum of money the Town will vote to raise and appropriate for Flags for Veterans' graves and others who lost their lives in the service of their Country.

Art. 32. To see what sum of money the Town will vote to raise and appropriate for the purchase of bonds for the Tax Collector, Treasurer, Constable or Constables.

Art. 33. To see what sum of money the Town will vote and appropriate for Interest.

Art. 34. To see what sum of money, if any, the Town will vote to raise and appropriate for the Harrington Volunteer Fire Department.

Art. 35. To see what sum of money the Town will vote to raise and appropriate for Administration for ensuing year.

Art. 36. To see if the Town will vote to raise and appropriate the sum of $65.00 for Public Health Nursing in Harrington, said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local services.

Art. 37. To see if the Town will vote to raise and appropriate the sum of $125.00 to be used by the local health officer to provide for (1) free vaccination with cowpox of all inhabitants within his jurisdiction, (2) free inoculations with suitable materials as defined by the Health and Welfare against diphtheria, whooping cough, tetanus and poliomyelitis of all children under 16 years of age (Section 66, Chapter 25, R.S.) and (3) free physical examinations by a competent physician of pupils of grades 1, 4, 8 and 12.

Art. 38 To see what sum of money the Town will vote to raise and appropriate for Street Lights for the ensuing year.

Art. 39 To see if the Town will vote to raise and appropriate the sum of $60.00 for Maine Municipal Association dues.

Art. 40. To see if the Town will vote to raise and appropriate the sum of $50.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chap. 91, Sec. 108 of the R. S. of Maine, 1954.

Art. 41 To see what sum of money the Town will vote to raise and appropriate for the Washington County Chamber of Commerce.

Art. 42 To see if the Town will vote to authorize the Selectmen and Treasurer to issue general obligation securities of the Town for the purpose of funding or refunding certain notes of the Town due now or to become due during the municipal year 1961.

Art. 43. To see if the Town will vote to authorize the Selectmen and Treasurer to make Temporary Loans, not to exceed the sum of $8,000.00 in anticipation of and to be paid out of current taxes for the Municipal year of 1961, and to issue the Town's negotiable notes thereon.

Art. 44 To see what sum of money the Town will vote to raise and appropriate for overdrafts in the Charities account.

Art. 45. To see if the Town will vote to allow or disallow a discount on Taxes and fix the time and rate.

Art. 46. To see if the Town will vote to authorize the Selectmen on behalf of the Town, to sell and dispose of any real estate or tax liens

acquired by the Town for non-payment of taxes thereon or otherwise, on such terms as they deem advisable and to execute a quit-claim deed for the property.

Art. 47. To see if the Town will vote to have a certain proportion of Town Employees' wages applied to payment on his or her taxes and tax liens until all taxes and tax liens are paid in full.

Art. 48. To see what sum of money the Town will vote to raise and appropriate for Civilian Defense and Public Safety.

Art. 49. To see what sum of money the Town will vote to raise and appropriate for refunding in part or whole, of the Loan made to the Town from the Hope G. Nash and Lewis F. Nash Trust Funds.

Art. 50. To see what sum of money, if any, the Town will vote to raise and appropriate for the repair of sidewalks.

Art. 51 To see if the Town will vote to raise and appropriate a sum of money for the Maine Coast Memorial Hospital.

Art. 52. To see if the Town will vote to have its employees participate in Federal Social Security benefits and authorize its board of Selectmen to enter into an agreement with the State Agency as designated in Chapter 395 of the Public Laws of 1951 for that purpose and fix the effective date thereof.

Art. 53. To see what sum of money the Town, as

an employer, will vote to raise and appropriate for the purpose of paying its share of the cost involved in operating a Federal Social Security plan for its employees.

Art. 54. To see if the Town will vote to raise and appropriate a sum of money to Tar the Ripley Mountain.

The Selectmen give notice that they will be in session at the High School Auditorium at 9:30 o'clock on the day of said meeting in the forenoon for the purpose of revising and correcting the list of voters.

Given under our hands this 6th day of March A. D. 1961.

REPORT *of* AUDIT

SAWYER & SAWYER

Accountants and Auditors

Camden - Milbridge

February 26, 1962

Board of Selectmen
Harrington, Maine

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, and at your request, we have audited the records of the Town of Harrington for the period February 15, 1961 to February 15, 1962.

The examination was made in accordance with generally accepted auditing standards that pertain to municipal accounting. Audit analysis was on a basis consistent with that of the preceding year and included all procedures that were considered necessary. Insofar as could be ascertained within the scope of the examination the financial transactions of the Town appear to have been appropriately handled.

Exhibits and Schedules incorporated in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data included in the report may prove of interest to you, all of which is respectfully submitted.

Respectfully submitted,

SAWYER & SAWYER

By A. F. SAWYER

COMMENTS

Town of Harrington

An audit of the financial records of the Town of Harrington has been completed for the fiscal year ended February 15, 1962.

The audit included an examination of the records maintained by the Selectmen, Assessors, Treasurer, Tax Collector and Town Clerk. The examination consisted of a review of cash transactions, as well as an analysis of available funds and expenditures, and the results are incorporated in the following text, exhibits and schedules pertaining to the fiscal affairs of the town.

The fiscal year operations showed that expenditures exceeded available funds by $2,266.28 per the following summary:

Overdrafts	$3,055.13
Unexpended	788.85
	$2,266.28

Assets

The cash balance of $2,893.75 was reconciled with the statement furnished by the Union Trust Company, Ellsworth, Maine.

Other assets including accounts receivable, tax liens, tax acquired property, capital reserve fund and trust fund investments, were reviewed. Unpaid accounts were reconciled with the balances shown on the records of the Selectmen.

Liabilities

General fund liabilities amounted to $3,418.89 which represented advances from the Hope G. Nash Trust Fund of $1,917.43 and accounts payable of $1,501.46.

Deferred Revenue

The deferred revenue totaling $2,099.83 represents

1962 Excise Tax collections which are carried forward for future allocation by the townspeople.

Reserves and Surplus

The examination of the departmental accounts shows a total amount of $2,871.60 (Exhibit D) representing account balances which are carried forward to the ensuing year.

The deficit at the close of the year amounted to $2,885.13, a decrease of $1,675.36. This decrease was occasioned principally by appropriations for town debt, accounts payable and overdrafts, the balance of the 1961 Excise Tax and Overlay less the excess of expenditures over available funds.

Trust Funds

An examination of the various funds held in trust by the town reveals that the total amount of trust fund principals was $6,250.00 and unexpended income amounted to $792.39.

General

An examination of the Town Clerk's records showed that the townspeople voted to transfer $1,000.00 from Excise Tax to town roads and an amount sufficient to balance the snow removal account.

Scope of Audit

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Receipts and vouchers and cancelled checks were examined for a selected period and major increases or decreases in revenue or expenditures over previous years were explored.

Excise tax collections were verified by examination

of the copies of the receipts retained by the collector. Various laws pertaining to the fiscal operations of the municipality were reviewed to determine that related financial transactions were properly administered.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting information fairly present the financial position of the town at February 15, 1962 and the result of its operations for the year then ended.

ANNUAL REPORT FOR HARRINGTON

Public Health Nursing Service

January 1 through December 31, 1961

The general purpose of public health nursing is to help people and the community as a whole to achieve and maintain optimum health. Your public health nurse carries out this purpose by giving preventive, therapeutic, and rehabilitative services to individuals and families in their homes; through health services in schools; and organized community programs for prevention of illness and promotion of health.

In January, the Health Council started a new program in the school. The students in grades one, four, eight and twelve, with their parents permission, were given the opportunity to receive a physical examination. Forty-nine students were examined in two sessions.

In March, the Health Council sponsored a Smallpox clinic for the school pupils. One hundred twenty-five students were vaccinated. This was the first vaccination for more than half of these students.

In April, May and June, the Health Council sponsored a series of three Child Health Conferences for preschool children. These conferences gave the parents an opportunity to have their children, under six, receive a physical examination and their inoculations against Diphtheria, Pertussis, Tetanus, Poliomyelitis and a vaccination against Smallpox. Eighty-eight children attended these conferences; twenty-two completed their initial three inoculations for Diphtheria, Pertussis and Tetanus; sixty-three children received an inoculation of Salk vaccine against poliomyelitis, and twenty-five received Smallpox vaccinations.

In October, the entire school enrollment was tested with the Maico Audiometer which had been purchased by the school union.

In November, students in grades one, four, eight and twelve were given the opportunity to receive a physical examination, if the parents gave permission. This program was set ahead to the fall months due to the hazardous traveling and cold weather, we experienced in early January. Forty-six students received physical examinations this fall. At the request of the physician two of the students were referred for further consultation and treatment at special clinics.

Many home visits have been made to infants, preschool, school children and adults where health supervision and consultation were needed.

It has been my pleasure to serve your community, but without the help and willingness of the Health Council members, this well planned program would not have been possible. I wish to thank all the citizens of the community for their help, interest and support in your health activities.

Respectfully submitted,

BEATRICE S. NORTON, R.N.

TOWN OF HARRINGTON

SCHOOL DEPARTMENT

To the Superintending School Committee and Citizens of Harrington, I herewith submit for your consideration my tenth annual report as superintendent of your schools.

Superintending School Committee

Mr. Carroll Strout	Term expires 1962
Mr. Guy Willey	Term expires 1963
Mr. Richard Meserve	Term expires 1964

Grades S.P. & 1	3,200.00
Janitor	370.00
Conveyance:	
No. I	$2,052.00
No. II	1,728.00

STUDENT ENROLLMENT

The following tables show the enrollment in the different grades on February 1, 1962.

	S.P.	1	2	3	4	5	6	7	8	Tl.
Jessie Lawrence	16	15								31
Flora Wood			11	15						26
Pauline Hayford					13	13				26
Pauline Hartford							12	13		25
Total Grades Sub-Primary to 7										108
High School:										
Grade 8—7; Fr.—24; So.—13; Jr.—11; Sr.—7										62
Total Enrollment										170

RE: HIGH SCHOOL

1. 5-Year Program:
 A. An anticipated large enrollment in grades 9 through 12, and a small enrollment in grade 8, prompted the initiating of a 5-year high school program for the current year. Already there are certain advantages being observed of which mention is being made of four as follows: (1) Teachers are permitted to teach in the subject

areas in which they have received special training, (2) Being, while yet at the eighth grade level, associated in part with the secondary school program, faculty, and students, the pupil transition from the elementary to the high school level will not be the frustrating experience that it was formerly, (3) The continuity of the English program for a 5-year period under competent instruction (assuming the continuance of Mrs. Allen's service) will increase the proficiency of the students in the language arts area, (4) The secondary school curriculum has been broadened to include trigonometry and review of mathematics.

2. Personnel:
 A. The vacancy in the position of teacher-principal of the high school caused by the resignation of Mr. John Biscoe is being capably filled by Mr. Elmer S. Marshall of Oxford, Maine. Mr. Marshall is an alumnus of the University of Maine with 35 years of successful teaching experience. He served as teacher-principal of Harrington High School for the years 1920-23.
 B. Mrs. Irene Allen continues to perform an indispensable service both as teacher of English and foreign language, and as coach and adviser in the extra curricula area.
 C The new position created by the initiating of a 5-year high school program was accepted by Mrs. Nancy Willey of Cherryfield, Maine, who was graduated from Washington State Teachers College in 1954 with a B.S. degree. She has had one year of teaching experience. Mrs. Willey teaches the subjects in the eighth grade program, except the language art; she also teaches the social studies offered in the high school. She

has met the challenges inherent in such a diversified program with a marked degree of success.

RE: ELEMENTARY SCHOOL

1. Personnel:
 A. Mrs. Pauline Hartford who has for a period of years served as a teacher of grade eight has been transferred to the Marshville School. She is filling the position formerly held by Goldie Sprague as teacher of grades 6 and 7. Mrs. Sprague accepted a teaching position in an adjoining town.
 B. Mrs. Pauline Hayford, Mrs. Flora Wood, and Mrs. Jessie Lawrence are continuing their services as teachers of grades 4-5, 2-3, and subprimary-1, respectively.
 C. The success accompanying the elementary school program currently in effect is praiseworthy.

HENRY R. NASH MEMORIAL FUND

I am pleased to report that the Union Trust Company of Ellsworth, Maine, has accepted recently the trusteeship of the Henry R. Nash Memorial Fund.

Appreciation is extended to Mr. Donald White, director, and Mr. John Whitney, president, of the Union Trust Company for their part in initiating the proceedings; and also to all of the officials of the company for the efficient manner in which they completed the maze of technical and legal procedures necessary for the transfer of a bequest from the State of Massachusetts to the State of Maine.

SERVICE ORGANIZATIONS

A "thank you" is extended to the organizations and agencies which have, over a period of years, rendered

valuable services to the school, viz; Bookmobile Unit; Maine Employment Security Commission (General Aptitude Test Battery and counseling service); Rotary Club Scholarships (winners this year, Susette Kennedy, Beverly Cotton, and Carl Mayhew); Henry R. Nash Memorial Fund Award (the recipients this year were: Douglas Petersen, Beverly Cotton, and Kendrick Randall); Joseph Bryant, Jr. Scholarship Award (the recipient this year was Naomi Anderson); Harrington High School Alumni Award (the recipient this year was Beverly Cotton); Marshville Community Club free milk service (Mr. and Mrs. Joseph Parsons have donated $100 to the club); County and Local Health Services; Harrington Library Association; and local pastors (devotional exercises.)

CONCLUSION

Again, I wish to express my appreciation to the members of the school committee, parents, citizens, school personnel and students for the fine cooperation given me during the past year.

Respectfully submitted,

CHAS. F. LAWRENCE

Superintendent of Schools

WARRANT FOR TOWN MEETING

WASHINGTON, ss. STATE OF MAINE

To Raymond F. Curtis, a constable of the Town of Harrington in the County of Washington and State of Maine.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the Inhabitants of the Town of Harrington, in said County, qualified by law to vote in Town Affairs, to assemble at the High School Auditorium, in the Town of Harrington, Monday, the 12th day of March A.D., 1962, at ten o'clock in the forenoon, there to act upon the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Town Clerk for the ensuing year.

Art. 3. To act on Town Reports.

Art. 4. To fix the salaries of the Town Officers for the ensuing year.

Art. 5. To choose Selectmen for the ensuing year.

Art. 6. To choose an Assessor for a term of three years.

Art. 7. To choose one or more Overseers of Poor.

Art. 8. To choose a Treasurer for the ensuing year.

Art. 9. To choose one member of the Superintending School Committee for a term of three years.

Art. 10. To choose a Tax Collector for the ensuing year.

Art. 11. To choose a Road Commissioner or Commissioners for the ensuing year.

Art. 12. To choose all other necessary Town Officers for the ensuing year.

Art. 13. To see what sum of money the Town will vote to raise and appropriate for elementary and secondary school maintenance purposes as enumerated under Sec. 237-C, sub-section 2, Chap. 41, R. S. 1958 as amended.

Recommended $19,416.88

Art. 14. To see what sum of money the Town will vote to raise and appropriate for School Repairs and Improvement Account in accordance with Section 34, Paragraph 2, Chapter 41, R. S. 1958 as amended. $1,079.92.

Art. 15. To see what action, if any, the Town will take regarding the disposition of part or whole of the $2550, with accured interest thereon which was appropriated previously as a Capital Reserve Fund to be deposited for future use for new construction, additions, or renovations.

Art. 16. To see what sum of money the Town will vote to raise and appropriate for Gallison Memorial Library for rent.

Art. 17. To see what sum of money the Town will vote to raise and appropriate for repair of Town Roads and Bridges.

Art. 18. To see what sum of money the Town will vote to raise and appropriate for cutting bushes on Town Roads.

Art. 19. To see what sum of money the Town will vote to raise and appropriate for Snow Removal

on State Aid and Town Roads for ensuing year.

Art. 20. To see if the Town will vote to instruct the Selectmen to keep the sidewalk from the Post Office to the junction of North Street and Highway No. 1 reasonably free from snow, and to raise and appropriate a sum of money for this purpose.

Art. 21. To see what sum of money the Town will vote to raise and appropriate for State Aid Road Construction (in addition to the amounts regularly raised for care of ways, highways and bridges) under the provisions of Sections 44, 49 or 50, Chap. 23, R. S. 1954 as amended.

Art. 22. To see if the Town will vote to print the names of paupers in the 1962 Town Reports.

Art. 23. To see what sum of money the Town will vote to raise and appropriate for Flags for Veterans' graves and others who lost their lives in the service of their country.

Art. 26. To see what sum of money, if any, the Town will vote to raise and appropriate for the Harrington Volunteer Fire Department.

Art. 27. To see what sum of money the Town will vote to raise and appropriate for Administration for ensuing year.

Art. 28. To see if the Town will vote to raise and appropriate the sum of $100.00 for Public Health Nursing in Harrington said sum to be expended by the Maine Department of Health and Welfare Bureau of Health for local services.

Art. 29. To see if the Town will vote to raise and appropriate the sum of $125.00 to be used by the local health officers and provide for (1) free vaccination with cowpox of all inhabitants within his jurisdiction, (2) free inoculations with suitable materials as defined by the Health and Welfare against diphtheria, whooping cough, tetanus and poliomyelitis of all children under 16 years of age (Section 66, Chapter 25, R. S.) and (3) free physical examination by a competent physician of pupils of grades 1, 4, 8 and 12.

Art. 30. To see what sum of money the Town will vote to raise and appropriate for Street Lights the ensuing year.

Art. 31. To see if the Town will vote to raise and appropriate the sum of $50.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chap. 91, Sec. 108 of the R. S. of Maine 1954.

Art. 32. To see what sum of money the Town will vote to raise and appropriate for the Washington County Chamber of Commerce.

Art. 33. To see if the Town will vote to authorize the Selectmen and Treasurer to issue general

obligation securities of the Town for the purpose of funding or refunding certain notes of the Town due now or to become due during the municipal year 1962.

Art. 34. To see if the Town will vote to authorize the Selectmen and Treasurer to make Temporary Loans, not to exceed the sum of $10,000.00 in anticipation of and to be paid out of current taxes for the municipal year of 1962, and to issue the Town's negotiable notes thereon.

Art. 35. To see what sum of money the Town will vote to raise and appropriate for Overdrafts.

Art. 36. To see if the Town will vote to allow or disallow a discount on Taxes and fix the time and rate.

Art. 37. To see if the Town will vote to authorize the Selectmen on behalf of the Town, to sell and dispose of any real estate or tax liens acquired by the Town for non-payment of taxes thereon or otherwise, on such times as they deem advisable and to execute a quit-claim deed for the property.

Art. 38. To see if the Town will vote to have a certain proportion of Town Employees' wages applied to payment on his or her taxes and tax liens until all taxes and tax liens are paid in full.

Art. 39. To see what sum of money the Town will vote to raise and appropriate for Civilian Defense and Public Safety.

Art. 40. To see what sum of money the Town will vote to raise and appropriate for refunding in

part or whole, of the loan made to the Town from the Hope G. Nash and Lewis F. Nash Trust Funds.

Art. 41. To see what sum of money, if any, the Town will vote to raise and appropriate for the repair of sidewalks.

Art. 42. To see if the Town will vote to raise and appropriate a sum of money for the Maine Coast Memorial Hospital.

Art. 43. To see what sum of money the Town, as an employer, will vote to raise and appropriate for the purpose of paying its share of the cost involved in operating a Federal Social Security plan for its employees.

Art. 44. To choose a Registrar of voters for the ensuing year and fix a salary.

Art. 45. To see what action the Town will take in regards to the maintenance of the Ripley Road, beginning at the pump and going up through to the Dana and Blake cottages.

The Selectmen give notice that they will be in session at the High School Auditorium at 9:30 o'clock on the day of said meeting in the forenoon for the purpose of revising and correcting the list of voters.

Given under our hands this 5th day of March A. D. 1962.

LAWS RELATING TO DOGS

Chapter 100 R. S., 1954, as amended by P. L. 1955

Sect. 10. On or before the first day of April each year the owner or keeper of any dog shall apply to the city or town clerk either orally or in writing for a license for each such dog, owned or kept by him.

Any person becoming the owner or keeper of a dog after the first day of April not duly licensed as herein required shall within ten days after he becomes owner or keeper of such dog, cause such dog to be described and licensed as provided above.

Sec. 13. Whoever keeps a dog contrary to the above shall be punished by a fine of not more than $25.00 to be recovered by complaint before any trial justice or municipal court in the county where such owner or keeper resides.

Sec. 14. The Municipal officers of each town shall within ten days from the first day of June issue a warrant, returnable on the 1st day of July, to one or more constables, directing him or them to proceed to enter complaint and summons to court the owner or keeper of any unlicensed dog. Provided, however, that said officers may call on the owner of such dog and demand that he conform to the law and pay the license fee due, and if owner pays such fee, he shall also pay the officer a fee of $2.00 which the officer shall retain.

REPORT OF AUDIT

SAWYER & SAWYER
Accountants and Auditors
Camden - Milbridge

March 5, 1963

Board of Selectmen
Harrington, Maine

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, and at your request, we have audited the records of the Town of Harrington for the period February 15, 1962 to February 15, 1963.

The examination was made in accordance with generally accepted auditing standards that pertain to municipal accounting. Audit analysis was on a basis consistent with that of the preceding year and included all procedures that were considered necessary. Insofar as could be ascertained within the scope of the examination the financial transactions of the Town appear to have been appropriately handled.

Exhibits and Schedules incorporated in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data included in the report may prove of interest to you, all of which is respectfully submitted.

Respectfully submitted,

SAWYER & SAWYER
By T. SEARLS, JR.

COMMENTS

Town of Harrington

An audit of the financial records of the Town of Harrington has been completed for the fiscal year ended February 15, 1963.

The audit included an examination of the records maintained by the Selectmen, Assessors, Treasurer, Tax Collector and Town Clerk. The examination consisted of a review of cash transactions, as well as an analysis of available funds and expenditures, and the results are incorporated in the following text, exhibits and schedules pertaining to the fiscal affairs of the town.

The fiscal year operations showed that expenditures exceeded available funds by $363.39 per the following summary:

Overdrafts	$ 802.92
Unexpended	439.53
	$ 363.39

Assets

The cash balance of $1,738.95 was reconciled with the statement furnished by the Union Trust Company, Ellsworth, Maine.

Other assets including accounts receivable, tax liens, tax acquired property, capital reserve fund and trust fund investments, were reviewed. Unpaid accounts were reconciled with the balances shown on the records of the Selectmen.

Liabilities

General fund liabilities amounted to $1,917.43 which represented advances from the Hope G. Nash Trust Fund of $1,917.43.

Deferred Revenue

The deferred revenue totaling $1,809.35 represents 1963 Excise Tax collections which are carried forward for future allocation by the townspeople.

Reserves and Surplus

The examination of the departmental accounts shows a total amount of $2,456.67 (Exhibit D) representing account balances which are carried forward to the ensuing year.

The deficit at the close of the year amounted to $1,025.01, a decrease of $1,860.12. This decrease was occasioned principally by appropriations for town debt, accounts payable and overdrafts, the balance of the 1962 Excise Tax and Overlay less the excess of expenditures over available funds.

Trust Funds

An examination of the various funds held in trust by the town reveals that the total amount of trust fund principals was $6,250.00 and unexpended income amounted to $1,451.04.

General

An examination of the Town Clerk's records showed that the townspeople voted to transfer $1,000.00 from Excise Tax to town roads and an amount sufficient to balance the snow removal account.

Scope of Audit

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Receipts and vouchers and cancelled checks were examined for a selected period and major

increases or decreases in revenue or expenditures over previous years were explored.

Excise tax collections were verified by examination of the copies of the receipts retained by the collector. Various laws pertaining to the fiscal operations of the municipality were reviewed to determine that related financial transactions were properly administered.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting information fairly present the financial position of the town at February 15, 1963 and the result of its operations for the year then ended.

Expenditures being contemplated for the forthcoming fiscal year are as follows: New septic tank, illumination of primary classroom, exterior painting (Marshville School), back-stop, guard-rail (athletic field), miscellaneous.

PERSONNEL AND CURRICULUM

This year it may be said, and it is certainly most unusual, that there has not been any change in the school personnel since the last annual town meeting. Thus, as might be anticipated, the services being rendered by the teachers, bus operators and janitors are, in general, being performed commendably.

However, this should not be construed to mean that all is well and all sufficient with our school program. And, it is very probable that the greatest need for a change, conceding that it is not the only one, is to be found in the secondary school curricula offering. Even when operating at the maximum of efficiency for that unit, a small high school's curriculum is lacking in both the depth and the breadth which are necessary so that the individual pupil can develop his potential to the full extent of his capacity and ambition.

As I see it, the School Administrative District organization, admittedly not perfect, offers the only reasonable and economically feasible solution to the secondary school problem of this area.

The writer believes that it is proper and in order to here give recognition to Mrs. Flora Wood who is currently rendering her twenty-fifth year of teacher service for this town.

Commendations are due Mrs. Wood for her devotion to duty, excellency of service and professional self-improvement.

ENROLLMENT FEBRUARY 1963

K	1	2	3	4	5	6	7	8	9	10	11	12
16	15	15	8	15	11	14	12	11	10	17	13	11

DRIVER EDUCATION

A Summer Driver Education Course is being planned for this area. Preliminary enrollment blanks have been

signed by 21 students of Harrington High School and approved by the parents.

According to tentative plans the course will begin on June 24 and close on August 2. Pertinent information has been printed and forwarded to each parent.

SERVICES

An expression of appreciation is extended to the individuals, organizations and agencies which have rendered certain valuable services to the school during the past year, namely: Joseph W. Bryant, Jr. Scholarship Award (recipient this year was Junita Lawrence); Henry R. Nash Memorial Fund Award (recipients this year were Robert Hammond and Junita Lawrence); also the Union Trust Company of Ellsworth for having invested the Henry R. Nash Memorial Fund so that the annual accrued interest on the investment has been increased approximately fifty percent over and above the sum formerly received by recipients of the award; Rotary Club Scholarships (one of the recipients this year was Robert Hammond); Marshville Community Club free milk service (a donation of $150 was received from Mr. Joseph Parsons); and Harrington Library Association (Mr. and Mrs. Ralph Nash have been very liberal with their time, talent and money.)

In closing this report, I would have the members of the school committee, parents, citizens, school personnel and students know that I have for them a deep feeling of appreciation for the cooperation and support given me during the year.

Respectfully submitted,

CHARLES F. LAWRENCE

Superintendent of Schools

ANNUAL REPORT FOR HARRINGTON

Public Health Nursing Service

January 1 through December 31, 1962

The general purpose of public health nursing is to help people and the community as a whole to achieve and maintain optimal health. Your public health nurse, a member of the staff of the Department of Health and Welfare, Division of Public Health Nursing, carries out this purpose by giving preventive, therapeutic, and rehabilitative services to individuals and families in their homes; through health services in schools; and through organized community programs for prevention of illness and promotion of health.

This year immunization clinics for school children and adults were held in the community to provide protection against poliomyelitis and influenza. One hundred sixty-five inoculations of poliomyelitis vaccine were given to students, and fifty-four to adults. Fifty adults received influenza inoculations.

For the preschool children Child Health Conferences were held so that parents would have the opportunity to have their children receive a physical examination and immunization as needed because there was no resident physician in the town.

In the school health program physical examinations were offered to the students in grades one, four, eight and twelve, if their parents permitted. This year sixty-two students were examined by Ciro Alfaro, M. D. of Jonesport.

The Harrington Health Council sponsored the above program. My appreciation is extended to the Council members, Superintendent of Schools, teachers, and the citizens of the community for the assistance and support in your 1962 health program.

Respectfully submitted,
BEATRICE S. NORTON R. N.

WARRANT FOR TOWN MEETING

WASHINGTON, ss. STATE OF MAINE

To Raymond F. Curtis, a constable of the Town of Harrington in the County of Washington and State of Maine.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the Inhabitants of the Town of Harrington, in said County, qualified by law to vote in Town Affairs, to assemble at the High School Auditorium, in the Town of Harrington, Monday, the 11th day of March A. D., 1963 at ten o'clock in the forenoon, there to act upon the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Town Clerk for the ensuing year.

Art. 3. To act on Town Reports.

Art. 4. To fix the salaries of the Town Officers for the ensuing year.

Art. 5. To choose the Selectmen for the ensuing year.

Art. 6. To choose one Assessor for a term of three years.

Art. 7. To choose a Board of Overseers of the Poor.

Art. 8. To choose a Treasurer for the ensuing year.

Art. 9. To choose one member of the Superintending School Committee for a term of three years.

Art. 10. To choose a Tax Collector for the ensuing year.

Art. 11. To choose a Road Commissioner or Commissioners for the ensuing year.

Art. 12. To choose all other necessary Town Officers for the ensuing year.

Art. 13. To see what sum of money the Town will vote to raise and appropriate for elementary and secondary school maintenance purposes as enumerated under 237-C, sub-section 2, Chap. 41. R. S. 1958 as amended.

Recommended $19,699.89

Art. 14. To see what sum of money the Town will vote to raise and appropriate for School Repairs, Improvement and Equipment Account in accordance with Section 34, Paragraph 2, Chapter 41, R. S. 1958 as amended.

Recommended $1,500.00

Art. 15. To see if the Town will vote to instruct the Selectmen to keep the side walk from the Post Office to the junction of North Street and Highway No. 1 reasonably free from snow, and to raise and appropriate a sum of money for this purpose.

Art. 16. To see if the Town will vote to authorize the Selectmen to sell the Coffin District school house.

Art. 17. To see what action the Town will take in regards to repairing old Route 1 by Clarence Nash's and appropriate a sum for this purpose.

Art. 18. To see what sum of money the Town will vote to raise and appropriate for Gallison Memorial Library for rent.

Art. 19. To see what sum of money the Town will vote to raise and and appropriate for repair of Town Roads and Bridges.

Art. 20. To see what sum of money the Town will vote to raise and appropriate for cutting bushes on Town Roads.

Art. 21. To see what sum of money the Town will vote to raise and appropriate for Snow Removal on State Aid and Town Roads for the ensuing year.

Art. 22. To see what sum the Town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 44, 49 or 50, Chap. 23, R. S. 1954, as amended.

Art. 23. To see what sum of money the Town will vote to raise and appropriate for Charities for the ensuing year.

Art. 24. To see what sum of money the Town will vote to raise and appropriate for Town Dump Maintenance.

Art. 25. To see what sum of money the Town will vote to raise and appropriate for Town Officers' Salaries.

Art. 26. To see if the Town will vote to print the names of paupers in the 1963 Town Reports.

Art. 27. To see what sum of money the Town will vote to raise and appropriate for Flags for Veterans' graves and others who lost their lives in the service of their Country.

Art. 28. To see what sum of money the Town will vote to raise and appropriate for the purchase of Bonds for Tax Collector, Treasurer, Constable or Constables.

Art. 29. To see what sum of money the Town will vote to raise and appropriate for Interest.

Art. 30. To see what sum of money, if any, the Town will vote to raise and appropriate for the Harrington Volunteer Fire Department.

Art. 31. To see what sum of money the Town will vote to raise and appropriate for Administration for the ensuing year.

Art. 32. To see if the Town will raise and appropriate $100.00 for public health nursing in Harrington. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Art. 33. To see what sum of money the Town will vote to raise and appropriate to be used by the local health officers to provide for (1) free vaccination with cowpox of all inhabitants within his jurisdiction, (2) free inoculations with suitable materials as defined by the Health and Welfare against diphtheria, whooping cough, tetanus and poliomyelitis of all children under 16 years of age, (Section 66, Chap. 25, R. S.) and (3) free physical examinations by a competent physician of pupils of grades 1, 4, 8, and 12.

Art. 34. To see what sum of money the Town will vote to raise and appropriate for Street Lights for ensuing year.

Art. 35. To see if the Town will vote to raise and appropriate the sum of $60.00 for Maine Municipal Association dues.

Art. 36. To see if the Town will vote to raise and appropriate the sum of $50.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with Chap. 91, Sec. 108 of the R. S. of Maine 1954.

Art. 37. To see what sum of money the Town will vote to raise and appropriate for the Washington County Chamber of Commerce.

Art. 38. To see if the Town will vote to authorize the Selectmen and Treasurer to issue general obligation securities of the Town for the purpose of funding or refunding certain notes of the Town due now or to become due during the municipal year 1963.

Art. 39. To see if the Town will vote to authorize the Selectmen and Treasurer to make Temporary Loans, not to exceed the sum of $10,000.00 in anticipation of and to be paid out of current taxes for the Municipal Year of 1963, and to issue the Town's negotiable notes thereon.

Art. 40. To see if the Town will vote to allow or disallow a discount on Taxes and fix the time and rate.

Art. 41. To see if the Town will vote to fix a date when Taxes shall be finally due and payable, and to fix a rate of interest to be charged on delinquent taxes.

Art. 42. To see if the Town will vote to authorize the

Selectmen on behalf of the Town, to sell and dispose of any real estate or tax liens acquired by the Town for non-payment of taxes thereon or otherwise, on such terms as they deem advisable and to execute a quit-claim deed for the property.

Art. 43. To see if the Town will vote to have a certain proportion of Town Employees' wages applied to payment on his or her taxes and tax liens until all taxes and tax liens are paid in full.

Art. 44. To see what sum of money the Town will vote to raise and appropriate for Civilian Defense and Public safety.

Art. 45. To see what sum of money the Town will vote to raise and appropriate for refunding in part or whole, of the loan made to the Town from the Lewis F. Nash Trust Fund.

Art. 46. To see what sum of money the Town will vote to raise and appropriate for the repair of side walks.

Art. 47. To see if the Town will vote to raise and appropriate a sum of money for the Maine Coast Memorial Hospital.

Art. 48. To see if the Town will vote to raise and appropriate a sum of money for the Washington County Soil Conservation District.

Art. 49. To see what sum of money the Town will raise for Social Security.

Art. 50. To see if the Town will vote to permit any business not included within the exemptions listed in Public Laws of 1961, Chapter 362, to remain open for business on the days set forth in said chapter.

Art. 51. To see if the Town will vote to have Surplus Commodities.

Art. 52. To see if the Town will vote to raise and appropriate a sum of money to defray the cost of handling and freight on Surplus Commodities.

The Selectmen give notice that they will be in session at the High School Auditorium at 9:30 o'clock on the day of said meeting in the forenoon for the purpose of revising and correcting the list of voters.

Given under our hands this 4th day of March A. D. 1963.

REPORT OF AUDIT

A. P. STEWART
Accountant and Auditor
Milbridge, Maine

February 28, 1964

Board of Selectmen,
Harrington, Maine

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, an audit has been conducted of the financial records of the Town of Harrington for the fiscal year ended February 18, 1964.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting.

Audit analysis was on a basis consistent with that of the preceding year and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

The financial and statistical sections incorporated in this report present the results of the Town's financial operations for the period indicated.

Very truly yours,

A. P. STEWART

APS:as

COMMENTS

An audit has been completed of the financial records maintained by the officials of the Town of Harrington for the fiscal year ended February 18, 1964.

Assets

The cash balance at the close of the year was reconciled with the statement of the Union Trust Company as of February 14, 1964. Transactions affecting taxes receivable, tax liens and tax acquired property were reviewed and unpaid individual accounts at the close of the year were checked and reconciled with the balances appearing in the ledger. Accounts receivable were examined and appeared to be correctly stated.

Liabilities

General fund liabilities at February 18, 1964 consisted of $717.43 owed to trust funds. The sum of $700.00 was repaid to this account by appropriation during the year.

Reserves and Surplus

Revenue derived from 1964 excise taxes collected prior to February 18, 1964 has been carried forward to the ensuing year according to custom. Departmental balances carried forward amounted to $2,516.07 for highway and education accounts.

At February 18, 1964, the Town had an unappropriated surplus amounting to $2,172.76 as compared with a deficit of $1,025.01 at the close of the preceding year. Items contributing to the gain were the repayment of trust funds, the exempt veterans' tax refund and unexpended balances in the appropriation accounts, notably in the poor account.

Trust Funds

The total amount of trust fund principals at the

end of the year was $6,250.00 which was legally invested with the exception of $717.43 which is due from the Town. Income withdrawn during the year had been expended in accordance with the terms of the respective trusts.

General

The 1963 commitment of taxes to the Collector was examined and reconciled with the assessment. Excise taxes were verified with the copies of the receipts retained by the Collector. Vouchers and payrolls were examined for a selected period and appeared to be proper charges to the accounts involved. The records of the Clerk were examined for appropriations and other matters of financial concern.

It is believed that the accompanying balance sheet, together with related financial statements fairly presents the financial position of the Town at February 18, 1964.

ESTIMATED BUDGET 1964-65

Anticipated Expenditures

Elementary Instruction	$13,950.00	
Secondary Instruction	14,550.00	
Sick Leave	400.00	
Band	1,050.00	
Athletics	400.00	
Driver Education	300.00	
Conveyance	4,160.00	
Janitor & Cleaning	3,030.00	
Textbooks & Supplies	2,700.00	
Library, Laboratory and Visual Aids	400.00	
Fuel	1,200.00	
Utilities	700.00	
Superintendent's Salary	1,143.80	
Clerk's Salary	559.00	
Office Rent, Equipment and Cleaning	152.96	
School Committee	150.00	
Health & Physical Education	100.00	
Insurance	750.00	
Total Anticipated Expenditures		$45,695.76

Anticipated Receipts

Balance 1963-64	$ 1,022.01	
State Subsidy	23,521.00	
Professional Subsidy	50.00	
Secondary Tuition	698.06	
Total Anticipated Receipts		$25,291.07
Recommended Appropriation for Maintenance Account 1964-65		$20,404.69
Recommended Appropriation for Repair, Improvement & Equipment Account		$ 1,500.00

Expenditures being contemplated for the forthcoming fiscal year are as follows: entrance doors for the Village Building, sink with drinking fountain, combination windows (6), illumination of one classroom, exterior painting at Marshville School, mobile laboratory and kit, grates for furnace, gypsum ceiling in storeroom, insulation of wainscot area of north wall, and miscellaneous.

Re: Heating System

Some citizens residing near the school (frequently referred to by them as the smog area) have requested that a study be made to determine the feasibility of converting the old furnace at the village school from a coal to an oil burning unit. Contacts have been made, and certain facts and opinions are being presented as follows.

A. Facts

(1) Cost of installing a high pressure oil burner with electronic controls, low water cut out, automatic feeder and with necessary piping to oil tank.
Estimated $950.00

(2) Cost of a 4000-gallon fuel oil tank, F. O. B. Bangor. Estimated $550.00

(3) Cost of excavation and drilling.
Estimated $200.00

(4) Miscellaneous. Estimated $100.00

(5) Allowance for error Estimated $200.00

Total $2,000.00

B. Opinions

(1) Conversion would eliminate the coal dust and soot problem within the building and on the playground.

(2) Conversion would eliminate the nuisance and inconvenience caused by the soot being wind borne to nearby residences.

(3) Conversion would provide a more uniform heating of the classrooms.

(4) Conversion would result in an expenditure now which would lessen an expenditure for a new furnace if and when such action may be necessary.

(5) Conversion would increase the annual fuel cost.

ELEMENTARY SCHOOL

There has been, and fortunately so I believe, a continuity of service by the currently employed teachers of the elementary school. The periods of their service to June 1964 will be as follows.

Teacher	Total Service	Service At Harrington	Continuity
Mrs. Flora G. Wood	30 years	26 years	26 years
Miss Pauline Hayford	41 years	24 years	23 years
Mrs. Jessie E. Lawrence	16 years	13 years	13 years
Mrs. Pauline N. Hartford	18 years	16 years	8 years
Mr. Chester R. Curtis	1 year	1 year	1 year

SECONDARY SCHOOL

Teachers at the high school are to be commended for the valuable service being rendered under adverse conditions. Needless to say, the secondary school is not adequate to meet today's challenge--to provide programs for diverse abilities and potentialities of the heterogeneous student population. A changing society cannot tolerate an unchanging school. That the solution to our serious problem is consolidation with nearby towns is not any longer a moot question; however, there does not appear to be a consensus regarding a plan for accomplishing the consolidation. This prompts me to call your attention to the following.

(1) Article regarding the sponsoring of a study on the several factors associated with the formation of a

School Administrative District. (See article in warrant).

(2) At the special session of the Legislature an act to create the Milbridge Community School District was enacted.

ENROLLMENT FEBRUARY 1964

SCHOOL UNION NO. 99

Three prime ingredients of quality education in any school are staff, available teaching tools and plant in that order. Yet, the important ingredients are available only if an enlightened citizenry so vote.

To keep our excellent staff members and recruit others as needed, we must, I believe, provide commensurate salaries, sound personnel policies, pleasant and hygienic plant facilities, and evidence that we are concerned with supporting a quality education program.

The schools are fortunate in being staffed by so many devoted staff members. The deep interest being taken in improving our schools and the education our boys and girls receive is evident in many ways. The work of the staff members requires the support of each citizen if it is to result in positive gains for our schools.

Mr. Vernon Pettigrew is serving as band director for one day each week at Cherryfield, Harrington and Milbridge. He also instructs in band at Columbia Falls on Wednesday evening of each week. He succeeds the veteran director, Mr. Charles Wakefield, who resigned to accept a similar position at Machias.

Mr. Pettigrew was graduated from Washington State Teachers College in 1940 and received a B. S. Education and M. Education degree from the University of Maine in 1947 and 1956 respectively. He attended the Northern Conservatory of Music for a two year period 1952-54. He also attended Boston Uni-

versity for a summer session in 1955. He has had several years of teaching experience.

IN-SERVICE TRAINING PROGRAM

This year the Washington State Teachers College was allocated N. A. S. A. funds to conduct an in-service training program for elementary teachers in science. Twelve centers were located in Washington and Hancock counties. Milbridge was chosen as one of the centers with Charles Sumner, Jr. as the instructor in Physical Science.

The aim of the course is to familiarize the teachers with the basic fundamentals of science and|or to provide them with an updated background in the science field.

Fourteen of our teachers completed the first semester course, and eleven teachers are enrolled for the second semester.

DRIVER EDUCATION

A driver education program was offered during the summer months. Of the 18 students enrolled in the course, 17 received certificates for having satisfactorily completed the 30 hours of class and 6 hours of road work.

A survey conducted recently indicates that approximately 12 students would like to enroll for a course next summer.

I believe that this is a very worthwhile program and that it should be continued.

CONCLUSION

In closing, I would like to thank all who have had a part in providing for the educational needs of our children and youth; the list which is long includes the school committee members, principals, teachers, janitors, bus operators, parents, citizens, and local organizations.

Respectfully submitted,
CHARLES F. LAWRENCE
Supt. of Schools.

ANNUAL REPORT FOR HARRINGTON

Public Health Nursing Service

For the Year 1963

Your public health nurse, a member of the staff of the Division of Public Health Nursing, provided public health nursing services in the town of Harrington during the year 1963. The table below lists the activities for the townspeople, and shows the participation by age groups. It also shows the numbers receiving protection against disease by immunization.

Activities	Age Groups		
	Infant & Preschool	School	Adult
Child Health Conferences	53		
Medical Examinations		47	
Tuberculin Testing		19	
Audiometer Testing		22	
Immunizations:			
Poliomyelitis (Salk)	32		
Smallpox	6		
Diphtheria, Tetanus and Pertussis	13		
Influenza			41
Poliomyelitis (Sabin):			
Type 1	35	130	65
Type 2	40	143	74
Type 3	17	133	32

This year the new health activity was the Oral (Sabin) Poliomyelitis clinics offering, to the community, protection against poliomyelitis. All of the above health activities were sponsored by the Harrington Health Council, Mrs. Arlene Scott, the president.

The school medical examinations were offered for the fourth year to students in certain grades. G. B.

Shaw, M. D., of Jonesport, was the examining physician. This activity helps teach the students the value of a medical examination, and points out to the parents defects which may need further medical supervision.

Besides planning with the local group and attending the above activities your public health nurse has endeavored in home visits to teach basic principles of healthful living in relation to changing needs of individuals in all age groups. And at the request of the family physician, she has given prescribed treatments, and taught family members, by demonstration, nursing care that was within the physical, financial, and emotional resources of the family.

I heartily thank all members of the community, individually and collectively, for their support in this year's health program.

Respectfully submitted,

BEATRICE S. NORTON, R. N.

WARRANT FOR TOWN MEETING

WASHINGTON, ss. STATE OF MAINE

To Raymond F. Curtis, a constable of the Town of Harrington in the County of Washington and State of Maine.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the Inhabitants of the Town of Harrington, in said County, qualified by law to vote in Town Affairs, to assemble at the High School Auditorium, in the Town of Harrington, Monday, the 9th day of March, A. D., 1964 at ten o'clock in the forenoon, there to act upon the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Town Clerk for the ensuing year.

Art. 3. To act on Town Reports.

Art. 4. To fix the salaries of the Town Officers for the ensuing year.

Art. 5. To choose the Selectmen for the ensuing year.

Art. 6. To choose one Assessor for a term of three years.

Art. 7. To choose a Board of Overseers of the Poor.

Art. 8. To choose a Treasurer for the ensuing year.

Art. 9. To choose one member of the Superintending School Committee for a term of three years.

Art. 10. To choose a Tax Collector for the ensuing year.

Art. 11. To choose a Road Commissioner or Commissioners for the ensuing year.

Art. 12. To choose all other necessary Town Officers for the ensuing year.

Art. 13. To see what sum of money the Town will vote to raise and appropriate for elementary and secondary school maintenance purposes as enumerated under 237-C, sub section 2, Chap. 41, R. S. 1958 as amended.

Recommended $20,404.69

Art. 14. To see what sum of money the Town will vote to raise and appropriate for School Repairs, Improvement and Equipment Account in accordance with Section 34, Paragraph 2, Chapter 41, R. S. 1958 as amended.

Recommended $1,500.00

Art. 15. To see if the Town will vote to instruct the Selectmen to keep the sidewalk from the Post Office to the junction of North Street and Highway No. 1 reasonably free of snow, and to raise and appropriate a sum of money for this purpose.

Art. 16. To see what action the town of Harrington will take with regards to joining with some of the nearby towns in sponsoring a study on several factors (building costs, maintenance costs, curriculum, etc.) associated with the formation of a School Administrative District; and, furthermore, to see if the town will vote to raise and appropriate a sum of money not to exceed $200 to pay its share of the costs involved in making the study and preparing a report.

Art. 17. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow a sum of money not to exceed $2,000.00 (and fix the terms for payment for same) for the purpurpose of converting the old furnace at the village school from a coal to an oil burner unit.

Art. 18. To see what sum of money the Town will vote to raise and appropriate for Gallison Memorial Library for rent.

Art. 19. To see what sum of money the Town will vote to raise and appropriate for repairs of Town Roads and Bridges.

Art. 20. To see what sum of money the Town will vote to raise and appropriate for cutting bushes on Town Roads.

Art. 21. To see what sum of money the Town will vote to raise and appropriate for Snow Removal on State Aid and Town Roads for ensuing year.

Art. 22. To see what sum the Town will raise and appropriate for State Aid Road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 44, 49 or 50, Chap. 23, R. S. 1954, as amended.

Art. 23. To see what sum of money the Town will vote to raise and appropriate for Charities for the ensuing year.

Art. 24. To see what sum of money the Town will vote to raise and appropriate for Town Dump Maintenance.

Art. 25. To see what sum of money the Town will vote to raise and appropriate for Town Officers' Salaries.

Art. 26. To see if the Town will vote to print the names of paupers in the 1964 Town Reports.

Art. 27. To see what sum of money the Town will vote to raise and appropriate for Flags for Veterans' graves and others who lost their lives in the service of their Country.

Art. 28. To see what sum of money the Town will vote to raise and appropriate for the purchase of Bonds for Tax Collector, Treasurer, Constable or Constables.

Art. 29. To see what sum of money the Town will vote to raise and appropriate for Interest.

Art. 30. To see what sum of money, if any, the Town will vote to raise and appropriate for the Harrington Volunteer Fire Department.

Art. 31. To see what sum of money the Town will vote to raise and appropriate for Administration for the ensuing year.

Art. 32. To see if the Town will raise and appropriate $100.00 for public health nursing in Harrington. Said money to be expended by Maine Department of Health and Welfare, Bureau of Health, for local service.

Art. 33. To see what sum of money the Town will vote to raise and appropriate to be used by the local health officers to provide for (1) free vaccination with cowpox of all inhabitants within his jurisdiction, (2) free inoculations with suitable materials as defined by Health and Welfare against diptheria, whooping cough, tetanus and poliomyelitis of all children under 16 years of age, Section 66, Chap. R. S., and (3) free physical examination by a competent physician of pupils of grades 1, 4, 8, and 12.

Art. 34. To see what sum of money the Town will vote to raise and appropriate for Street Lights for ensuing year.

Art. 35. To see if the Town will vote to raise and ap-

propriate the sum of $60.00 for Maine Municipal Association dues.

Art. 36. To see if the Town will vote to raise and appropriate the sum of $50.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with Chap. 91, Sec. 108 of the R. S. of Maine 1954.

Art. 37. To see what sum of money the Town will vote to raise and appropriate for the Washington County Chamber of Commerce.

Art. 38. To see if the Town will vote to authorize the Selectmen and Treasurer to issue general obligation securities of the Town for the purpose of funding or refunding certain notes of the Town due now or to become due during the municipal year 1964.

Art. 39. To see if the Town will vote to authorize the Selectmen and Treasurer to make Temporary Loans, not to exceed the sum of $10,000.00 in anticipation of and to be paid out of current taxes for the Municipal Year of 1964, and to issue the Town's negotiable notes thereon.

Art. 40. To see if the Town will vote to allow or disallow a discount on Taxes and fix the time and rate.

Art. 41. To see what sum of money, if any, the Town will vote to raise or appropriate for a shell fish conservation program.

Art. 42. To see if the Town will vote to authorize the Selectmen on behalf of the Town, to sell and dispose of any real estate or tax liens ac-

quired by the Town for non-payment of taxes thereon or otherwise, on such terms as they deem advisable and to execute a quit-claim deed for the property.

Art. 43. To see if the Town will vote to have a certain proportion of Town Employees' wages applied to payment on his or her taxes and until all taxes and tax liens are paid in full.

Art. 44. To see what sum of money the Town will vote to raise and appropriate for Civilian Defense and Public safety.

Art. 45. To see what sum of money the Town will vote to raise and appropriate for refunding in part or whole, of the loan made to the Town from the Lewis F. Nash Trust Fund.

Art. 46. To see what sum of money the Town will vote to raise and appropriate for the repair of sidewalks.

Art. 47. To see if the Town will vote to raise and appropriate a sum of money for the Maine Coast Memorial Hospital.

Art. 48. To see if the Town will vote to raise and appropriate a sum of money for the Washington County Soil Conservation District.

Art. 49. To see what sum of money the Town will raise for Social Security.

Art. 50. To see if the Town will vote to permit any business not included within the exemptions listed in Public Laws of 1961, Chapter 362, to remain open for business on the days set forth in said chapter.

Art. 51. To see if the Town will vote to have Surplus Commodities.

Art. 52. To see if the Town will vote to raise and appropriate a sum of money to defray the cost of handling and freight on Surplus Commodities.

Art. 53. To see what action the Town will take in regards to Plowing Kenneth Smith's Lane. The cost to be reinbursed by him.

The Selectmen give notice that they will be in session at the High School Auditorium at 9:30 o'clock on the day of said meeting in the forenoon for the purpose of revising and correcting the list of voters.

Given under our hands the 2nd day of March, A. D., 1964.

REPORT OF AUDIT

A. P. STEWART
Accountant and Auditor
Milbridge, Maine

March 2, 1965

Board of Selectmen
Harrington
Maine

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, an audit has been conducted of the financial records of the Town of Harrington for the fiscal year ended February 20, 1965.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting.

Audit analysis was on a basis consistent with that of the preceding year and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

The financial and statistical sections incorporated in this report present the results of the Town's financial operations for the period indicated.

Very truly yours,

A. P. STEWART

APS/mps

COMMENTS

An audit has been completed of the financial records maintained by the officials of the Town of Harrington for the fiscal year ended February 20, 1965.

ASSETS

The cash balance at the close of the year was reconciled with the statement of the Union Trust Company as of February 25, 1965. Transactions affecting taxes receivable, tax liens and tax acquired property were reviewed and unpaid individual accounts at the close of the year were checked and reconciled with the balances appearing in the ledger. Accounts receivable were examined and appeared to be correctly stated.

LIABILITIES

There were no general fund liabilities of record at February 20, 1965.

RESERVES AND SURPLUS

Revenue derived from 1965 excise taxes collected prior to February 20, 1965 has been carried forward to the ensuing year according to custom. Departmental balances carried forward amounted to $1,592.33 as shown on Exhibit D.

At February 20, 1965, the Town had an unappropriated surplus amounting to $5,793.39 as compared with $2,172.76 at the close of the preceding year. Items contributing to the gain were the repayment of trust funds and unexpended balances in the appropriation accounts, notably in the highways and bridges account.

TRUST FUNDS

The total amount of trust fund principals at the

end of the year was $6,250.00 which was legally invested. Income withdrawn during the year had been expended in accordance with the terms of the respective trusts.

GENERAL

The 1964 commitment of taxes to the Collector was examined and reconciled with the assessment. Excise taxes were verified with the copies of the receipts retained by the Collector. Vouchers and payrolls were examined for a selected period and appeared to be proper charges to the accounts involved. The records of the Clerk were examined for appropriations and other matters of financial concern.

It is believed that the accompanying balance sheet, together with related financial statements fairly presents the financial position of the Town at February 20, 1965.

ANNUAL REPORT FOR HARRINGTON

Public Health Nursing Service

For the Year 1964

As the year closes it is appropriate for your public health nurse to give an account of the services that she has carried on in your community.

The table below lists the activities and shows the numbers receiving protection against disease by immunization.

	Age Groups		
Activities:	Infant Preschool	School	Adult
Child Health Conferences (3)			
Medical Examinations	36	54	
Tuberculin Testing		42	
Audiometer Testing		84	
Immunizations:			
Poliomyelitis (Sabin)			
Type 1	9	2	4
Type 2	10	18	3
Type 3	9	3	4
Smallpox	6		
Diphtheria, Tetanus and Pertussis	20		
Influenza			40

The public health nurse gives service through conferences, clinics, meetings and home visits to all age groups. The Child Health Conference is to teach the parents, whose children are not already under the supervision of a doctor, the importance of regular medical examinations. They are also taught how some preventable diseases may be controlled through an immunization of each child.

The medical examination for the school child is a

health teaching activity for the individual for the prevention of illness, promotion of health and detection of defects. The tuberculin skin test (Tine) is done as part of the medical examination to detect tuberculosis.

Home visits are made to all age groups for health teaching, to teach nursing care of the sick and rehabilitation of the handicapped in their own homes, with medical direction from the patient's physician.

To accomplish these services the nurse works closely with physicians and health agencies in behalf of patients. Your public health nurse also works with the townspeople, individually and in groups, so that the people themselves will take responsibility for developing health programs to meet their unique local health needs.

My appreciation is extended to the Harrington Health Council members, Superintendent of Schools, teachers and the citizens of the community for their assistance and support in your health program.

Respectfully submitted,

BEATRICE S. NORTON, R. N.

WARRANT FOR TOWN MEETING

WASHINGTON, ss. STATE OF MAINE

To Herbert Scott, a constable of the Town of Harrington in the County of Washington and State of Maine.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Harrington, in said County, qualified by law to vote in Town Affairs, to assemble at the High School Auditorium, in the Town of Harrington, Monday, the 8th day of March, A. D., 1965 at ten o'clock in the forenoon, there to act upon the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Town Clerk for the ensuing year.

Art. 3. To act on Town Reports.

Art. 4. To fix the salaries of the Town Officers for the ensuing year.

Art. 5. To choose three Selectmen for the ensuing year.

Art. 6. To choose one Assessor for a term of three years.

Art. 7. To choose a Board of Overseers of the Poor.

Art. 8. To choose a Treasurer for the ensuing year.

Art. 9. To choose a Clam Warden for the ensuing year.

Art. 10. To choose a Tax Collector for the ensuing year.

Art. 11. To choose a Road Commissioner or Commissioners for the ensuing year.

Art. 12. To choose all other necessary Town Officers for the ensuing year.

Art. 13. To see if the town will vote to enact the following ordinance:

ORDINANCE FOR SHELLFISH DIGGING LICENSE

Section 1. Municipal Shellfish license required. It is unlawful for any person to dig or take shellfish from the shores, flats or coastal waters of this municipality without having a current license issued by the clerk of this municipality as provided in this ordinance.

1. Definitions. The following words as used in this ordinance have the meaning indicated after each, unless a different meaning is clearly intended by the context:

A. Shellfish. The word "shellfish" means softshell clams, quahogs and mussels.

B. Municipality. The word "municipality" means the Town of Harrington, Maine.

C. Resident. The word "resident" when it applies to this municipality means a person who has resided in the State of Maine for at least 6 months next prior to the time his claim of such residence is made, and who has resided in this municipality for at least 3 months next prior to the time his claim of such residence is made.

II. License designation, scope; licensee must sign. The license, designated as a Municipal Shellfish license for the Town of Harrington, entitles the holder to dig

and take any amount of shellfish from the shores, flats and waters of this municipality when and where it is otherwise lawful to do so.

A. License must be signed. The licensee must sign his license in order to make it valid.

III. Qualifications, application, fees. Any resident of this municipality may apply to the municipal clerk for the license required by this ordinance on forms provided by the municipal officers. No other person may apply for, nor be issued the license provided in this ordinance. The clerk may require the applicant to produce evidence of his qualifications before issuing the license.

A. Contents of application. The application must contain the applicant's name, current address, birth date, height, weight, signature, and whatever other information, if any, the municipal officers may from time to time decide.

B. Records. The municipal clerk shall note on the application the date the license requested was issued, sign it, and file the application with his records.

C. Fees. The fee for the license is $1.25 which the applicant shall pay with his application. The municipal clerk shall pay all fees received to the municipal treasurer (except for 25 cents for each license issued which is to be retained by the clerk as his payment for issuing the licenses.) The funds so received by this municipality may be used for whatever purposes this municipality may from time to time decide.

IV. License expiration date. Each license issued under authority of this ordinance expires at midnight on December 31st of the year issued.

V. Penalty. Whoever violates any provision of this

ordinance shall be punished by a fine of not more than $10.00 or by imprisonment for not more than 30 days.

VI. Former ordinance repealed. The ordinance entitled **Relative digging and taking of clams**, in the Town of Harrington, County of Washington, enacted at the special town meeting on June 27, 1964, is hereby repealed.

VII. Effective date. This ordinance becomes effective immediately after its adoption by this municipality.

Art. 14. To see if the town will vote to enact the following ordinance:

ORDINANCE FOR CLOSING CERTAIN FLATS TO THE DIGGING OF SHELLFISH

Section 1. It is unlawful for any person to dig or take any shellfish from any of the shores, flats or waters of this municipality in any area which is closed to such digging or taking under the provisions of this ordinance.

I. Definitions. The following words as used in this ordinance have the meaning indicated after each, unless a different meaning is clearly intended by the context:

A. Municipality. The word "municipality" means the Town of Harrington, in the County of Washington and State of Maine.

B. Shellfish. The word "shellfish" means soft-shell clams, quahogs and mussels.

II. The following described area within this municipality is closed to all digging or taking of shellfish from the **1st day of November, 1965,** until the **1st day of April, 1966.**

SECTION A. Closing of Clam Flats in Harrington River.

It will be unlawful to dig or take clams on flats in Harrington River from November 1, 1965 to April 1, 1966 and said closing to take effect for next three years from Nov. 1st to April 1st.

A. Flat Bay

B. Cow Island

C. Carrying Place Cove West

D. Foster's Island

E. All rest of Flats in Harrington River.

SECTION B. Digging or taking of clams in Ripley Cove.

It will be unlawful to dig or take clams on Ripley Cove flats from July 1, 1965 to July 1, 1966.

SECTION C. Closing of Clam Flats in Addison River.

It will be unlawful to dig or take clams on flats in Addison River in said town of Harrington from Deer Island Point to Ripley Neck from April 1, 1965 to November 1, 1965. To stay in effect for three year periods of time.

III. Penalty. Whoever violates any provision of this ordinance shall be punished by a fine of not more than $10.00 or by imprisonment for not more than 30 days.

IV. Former ordinance repealed. The ordinance entitled Relative to digging and taking of Clams in the Town of **Harrington,** County of **Washington,** enacted at the special town meeting on **June 27, 1964,** is hereby repealed.

V. Effective date. This ordinance becomes effective immediately after its adoption by this municipality.

Art. 15. To see what sum of money the Town will vote to raise and appropriate for Gallison Memorial Library for rent. $200.

Art. 16. To see what sum of money the Town will vote to raise and appropriate for repairs of Town Roads and Bridges.

Art. 17. To see what sum of money the Town will vote to raise and appropriate for cutting bushes on Town Roads.

Art. 18. To see what sum of money the Town will vote to raise and appropriate for Snow Removal on State Aid and Town Roads for ensuing year.

Art. 19. To see what sum the Town will raise and appropriate for State Aid Road construction (In addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 44, 49 or 50, Chap. 23, R. S. 1954, as amended.

Art. 20. To see what sum of money the Town will vote to raise and appropriate for Charities for the ensuing year.

Art. 21. To see what sum of money the Town will vote to raise and appropriate for Town Dump Maintenance.

Art. 22. To see what sum of money the Town will vote to raise and appropriate for Town Officers' Salaries.

Art. 23. To see if the Town will vote to print the names of paupers in the 1965 Town Reports.

Art. 24. To see what sum of money the Town will vote to raise and appropriate for Flags for Veterans' graves and others who lost their lives in the service of their Country.

Art. 25. To see what sum of money the Town will vote to raise and appropriate for the purchase of

Bonds for Tax Collector, Treasurer, Constable or Constables. $ 50.

Art. 26. To see what sum of money the Town will vote to raise and appropriate for Interest. $ 125.

Art. 27. To see what sum of money, if any, the Town will vote to raise and appropriate for the Harrington Volunteer Fire Department.

A. Construction 1200.

B. Maintenance 500.

Art. 28. To see what sum of money the Town will vote to raise and appropriate for Administration for the ensuing year. $ 1600.

Art. 29. To see if the Town will raise and appropriate $100.00 for public health nursing in Harrington. Said money to be expended by Maine Department of Health and Welfare, Bureau of Health, for local service. $ 100.

Art. 30. To see what sum of money the Town will vote to raise and appropriate to be used by the local health officers to provide for (1) free vaccination with cowpox of all inhabitants within his jurisdiction, (2) free inoculations with suitable materials as defined by Health and Welfare against diphtheria, whooping cough, tetanus and poliomyelitis of all children under 16 years of age, Section 66, Chap. R. S., and (3) free physical examination by a competent physician of pupils of grades 1, 4, 8, and 12. $ 125.

Art. 31. To see what sum of money the Town will vote to raise and appropriate for Street Lights for ensuing year. $ 1134.

Art. 32. To see if the Town will vote to raise and ap-

propriate the sum of $75.00 for Maine Municipal Association dues.

Art. 33. To see if the Town will vote to raise and appropriate the sum of $50.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with Chap. 91, Sec. 108 of the R. S. of Maine 1954.

Art. 34. To see what sum of money the Town will vote to raise and appropriate for the Washington County Chamber of Commerce.

Art. 35. To see if the Town will vote to authorize the Selectmen and Treasurer to issue general obligation securities of the Town for the purpose of funding or refunding certain notes of the Town due now or to become due during the municipal year 1965.

Art. 36. To see if the Town will vote to authorize the Selectmen and Treasurer to make Temporary Loans, not to exceed the sum of $10,000.00 in anticipation of and to be paid out of current taxes for the Municipal Year of 1965, and to issue the Town's negotiable notes thereon.

Art. 37. To see if the Town will vote to allow or disallow a discount on Taxes and fix the time and rate.

Art. 38. To see what sum of money, if any, the Town will vote to raise or appropriate for a shellfish conservation program.

Art. 39. To see if the Town will vote to authorize the Selectmen on behalf of the Town, to sell and dispose of any real estate or tax liens acquired

by the Town for non-payment of taxes thereon or otherwise, on such terms as they deem advisable and to execute a quit-claim deed for the property.

Art. 40. To see if the Town will vote to have a certain proportion of Town Employees' wages applied to payment on his or her taxes and until all taxes and tax liens are paid in full.

Art. 41. To see what sum of money the Town will vote to raise and appropriate for Civilian Defense and Public safety.

Art. 42. To see what sum of money the Town will vote to raise and appropriate for the repair of sidewalks.

Art. 43. To see if the Town will vote to raise and appropriate a sum of money for the Maine Coast Memorial Hospital.

Art. 44. To see if the Town will vote to raise and appropriate a sum of money for the Washington County Soil Conservation District.

Art. 45. To see what sum of money the Town will raise for Social Security.

Art. 46. To see if the Town will vote to permit any business not included within the exemptions listed in Public Laws of 1961, Chapter 362, to remain open for business on the days set forth in said chapter.

Art. 47. To see if the Town of Harrington will accept a sum of money left in trust from the Will of Washington Grant.

Art. 48. To see if the Town of Harrington will transfer the Trust Fund left by Washington Grant to the Forest Hill Cemetery Association.

Art. 49. To see what sum of money the Town of Harrington will raise or appropriate for tarring Town Roads. $500.

The Selectmen give notice that they will be in session at the High School Auditorium at 9:30 o'clock on the day of said meeting in the forenoon for the purpose of revising and correcting the list of voters.

Given under our hands the 1st day of March, A. D., 1965.

REPORT OF AUDIT

A. P. STEWART
Accountant and Auditor
Milbridge, Maine

March 2, 1965

Board of Selectmen
Harrington,
Maine

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, an audit has been conducted of the financial records of the Town of Harrington for the fiscal year ended February 20, 1965.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting.

Audit analysis was on a basis consistent with that of the preceding year and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

The financial and statistical sections incorporated in this report present the results of the Town's financial operations for the period indicated.

Very truly yours,

A. P. STEWART

APS:mps

COMMENTS

An audit has been completed of the financial records maintained by the officials of the Town of Harrington for the fiscal year ended February 20, 1965.

ASSETS

The cash balance at the close of the year was reconciled with the statement of the Union Trust Company as of February 25, 1965. Transactions affecting taxes receivable, tax liens and tax acquired property were reviewed and unpaid individual accounts at the close of the year were checked and reconciled with the balances appearing in the ledger. Accounts receivable were examined and appeared to be correctly stated.

LIABILITIES

There were no general fund liabilities of record at February 20, 1965.

RESERVES AND SURPLUS

Revenue derived from 1965 excise taxes collected prior to February 20, 1965 has been carried forward to the ensuing year according to custom. Departmental balances carried forward amounted to $1,592.33 as shown on Exhibit D.

At February 20, 1965, the Town had an unappropriated surplus amounting to $5,793.39 as compared with $2,172.76 at the close of the preceding year. Items contributing to the gain were the repayment of trust funds and unexpended balances in the appropriation accounts, notably in the highways and bridges account.

TRUST FUNDS

The total amount of trust fund principals at the end of the year was $6,250.00 which was legally in-

vested. Income withdrawn during the year had been expended in accordance with the terms of the respective trusts.

GENERAL

The 1964 commitment of taxes to the Collector was examined and reconciled with the assessment. Excise taxes were verified with the copies of the receipts retained by the Collector. Vouchers and payrolls were examined for a selected period and appeared to be proper charges to the accounts involved. The records of the Clerk were examined for appropriations and other matters of financial concern.

It is believed that the accompanying balance sheet, together with related financial statements fairly presents the financial position of the Town at February 20, 1965.

MABEL CURTIS
Town Clerk

ANNUAL REPORT FOR HARRINGTON

Public Health Nursing Service

For the Year 1965

As the year closes it is appropriate for the public health nurse, a member of the staff of the Division of Public Health Nursing, to give you an account of the services that she has carried on in your community.

The table below lists the activities and shows the number of children and adults receiving protection against disease:

	Age Groups		
Activities:	Preschool	School	Adults
Medical Examinations		45	
Tuberculin Testing		16	
Immunizations:			
Smallpox	11		
Diphtheria, Tetanus, Pertussis	15		
Poliomyelitis (Sabin)	33		
Measles	42		
Influenza			88

Four child health conferences were held at the Methodist Church vestry for preschool children. The conference is intended to teach the parents, whose children are not already under the supervision of a doctor, the importance of regular medical examinations. They are also taught how some preventable diseases may be controlled through an immunization of each child. The measles vaccine, introduced this year, produces an immunity like that which is acquired after having the disease, and is expected to protect the child for life.

The medical examinations for students is part of the school Administrative District No. 37 school health program. The students who were examined were in

grades one, four, eight, twelve and athletes. The program is a health teaching activity for the individual for the prevention of illness, detection of defects that the family may not otherwise be aware of, and promotion of good health. The tuberculin skin test is a test to detect possible contact with a tuberculosis patient.

Home visits are made to all age groups to teach nursing care of the sick and rehabilitation of the handicapped in their own homes under medical direction of the patient's physician.

Your public health nurse also works closely with the townspeople, individually and in groups, so that the people themselves will take responsibility for developing health programs to meet their local health needs.

Your public health nurse wishes to extend her appreciation to the Harrington Health Council, Mr. Lawrence, M. A. Lambdin, M. D. and J. H. LaCase, M. D., Ellsworth, and the citizens of the community for their assistance and support in your health program.

Respectfully submitted,

BEATRICE S. NORTON, R. N.

Public Health Nurse
